**Subject: Review of DATA facility of GSM Mobile Service connection facility to the executives below JAG level in BSNL.**

**Respected Sir,**

Your kind attention is drawn towards BSNL Corporate Office letter number 2-03/2006-PHA dated 13.01.2016 whereby GPRS/3G facility under the Plan 525 on the mobile service connection of the executives below JAG level of BSNL with free data facility up to 500 MB usage per month has been extended.

In this regard, it is submitted that an executive can greatly benefit from using a mobile device while outside the office. With the ability to access email, WhatsApp and Social media applications like twitter, Facebook etc. on mobile devices, they can save time and increase productivity. Access to email and ability to open attached documents helps to respond more quickly.

To emphasize, using technology is not just about having computers and an internet connection on the office. It's also important to utilize the Data connectivity anywhere and everywhere for an executive that can improve not only employee productivity but also improve the performance of BSNL.

In the field, all the executives are working in the highly competitive environment and volume of Data consumed normally more than 500 MB by the way of email, WhatsApp, Social Media queries on twitter, Facebook etc and handling the customer complaints etc they are normally exhausting the freebies and paying extra amount for the data which is exorbitant.

In view of above, we request your kind honor to review for the 3G data and revise the data free usage limit from 500 MB to 10 GB per month. This will improve the efficiency and productivity of our young force.

Further in addition to above, we would also like to submit that for avoiding payment issues with MTNL, the BSNL executives working in the MTNL areas of Delhi and Mumbai may be given BSNL mobile service connections from the nearby BSNL Circles and in case, if an executive is transferred to the MTNL areas of Delhi and Mumbai, he/she may be permitted to retain his/her earlier mobile service connection of parent circle.

With kind regards,

**Yours sincerely,**

**Sd/-  
(Prahlad Rai)  
General Secretary**
