Sub: Request for fixing Maximum ceiling limit of Out Door Medical on the basis of Basic Pay and DA as on 1st April of every financial year- regarding.

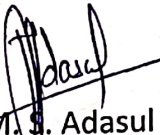

Respected Sir,

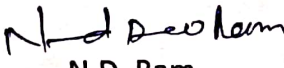

We would like to draw your kind attention to the above cited subject regarding maximum ceiling limit of reimbursement for Out Door Medical Treatment is fixed on the basis of Basic Pay and IDA as on 1st April of every financial year. It is to inform you that during Covid-19 period such limit was fixed by freezing the DA as on 01.04.2020 for all the employees. Due to this BSNL Executives and Non Executives are suffering lot as the cost of medical expenses increased.

This issue was discussed with Dir (HR), BSNL Board by the Office Bearer of Association that this freezing of IDA is not applicable for the working employee, and assured that letter in this regard will be issued. But till date no such letter is issued by the Admin section of BSNL CO.

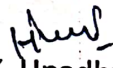

We the leaders of Forum of Associations of BSNL, request to kindly arrange to issue instructions for fixing of Maximum ceiling limit of reimbursement for Out Door Medical Treatment on the basis on Basic Pay and DA as on 1st April of every financial year i.e. for 2022-23 financial year limit should be fixed based on the Basic pay + IDA as on 01.04.2022.
