No. AIBSNLEA/CHQ/Director (HR) /2018

Dated-04.06.2018

To,

The Director (HR),
BSNL Board,
New Delhi-110001

Subject: Request creation of two Civil Division offices at Bhubaneswar and retention of Sr. Architect Office at Bhubaneswar, Odisha Circle.

Respected Madam,

You will appreciate the fact that Odisha Civil Wing has brought in an additional Rs. 31 Crore external work and is poised to expand this business up to Rs. 200 Crore. To keep pace with the demand of various state government authorities and to generate additional revenues for BSNL thereby, deployment of additional staff in Odisha Circle is the only logical solution. In the present scenario, this should be given the topmost priority and augmenting of staffs of Odisha Circle is the best way to accomplish that target.

But on the contrary, BSNL Corporate Office has recently shifted the office of the Sr. Architect from Bhubaneswar to Kolkata. As far as external works are concerned, BSNL Civil Wing is undertaking works starting from concept to commissioning where the role of Architect Wing is very. The regular interactions in regard to preliminary or working drawings, choice of materials etc. with the senior officers of state government will be hampered. If this trend continues then there will be de-motivation and external work will suffer and ultimately BSNL will loose revenue.

In view of above, considering the present volume, and future growth of external works, it is requested to approve the following two proposals of Odisha Circle:

1. Open two more Civil Divisions at Bhubaneswar for better management of external works along with some supporting staff.
2. Review the order of shifting of Sr. Architect Office from Bhubaneswar to Kolkata so as to retain them in Bhubaneswar.

With kind regards.

Yours Sincerely,
-sd-
