**Subject: NITI Aayog recommendations on closure, transfer to states, status etc.
-Reg.**

Hon'ble Sir,

With profound respect, we would like draw your kind attention towards NITI Aayog recommendation regarding its analysis the fiancé of CPSEs for their closure, transfer to states, status etc. in respect of the following CPSEs under M/O communications and information Technology i.e.

1. Bharat Sanchar Nigam Limited
2. ITI Limited.

It is learnt that recently PMO has directed Department of Telecommunications to furnish the status of implementation of the recommendation in respect of the above CPSEs.

This information has alarmed the employees of BSNL and all concern of BSNL. BSNL is the biggest PSU which has the annual turnover of more than Rs. 31000 Crores and continuously making operational profit for the last three consecutive years. BSNL is paying salary to its 2.05 lakh employees and manning its operations and maintenance as its own without the financial help of the Government. About 10 lakhs families bread & butter is depending on the survival of BSNL that includes its 2.05 employees, venders, suppliers, contractor etc. More that million of customers are taking quality & reliable service form BSNL at affordable rates. The presence of BSNL in the telecom sector of India regulates the tariff and providing services to customers on reasonable rates. It also provides national security. Hence, the presence of BSNL in our country is a must.

Hon'ble Sir, your kind honor has already expressed the concern on revival of BSNL in the speech delivered on 15th August 2016 from "Red Fort", New Delhi. Your kind concern has boosted the moral of BSNL employees and created a faith that NDA Govt. is for the revival and growth of BSNL. Now at this juncture since the BSNL is on revival Path, NITI Aayog recommendation for its closure is a surprise and painful. It has created lot of unrest and demotivation among the employees of BSNL.

In view of the above , it is , therefore , earnestly requested to your kind honor to direct NITI Aayog to drop such proposal i.e. closers of BSNL which is not at all in the interest of nation. We are confident and have full faith in your kind honour who will understand the pain and concern of BSNL employees and take immediate necessary steps to block such unrealistic move.

With Kind regards,

Yours faithfully
