**Subject: Appeal to support on stay on implementation of 3<sup>rd</sup> PRC & 7<sup>th</sup> CPC benefits in the interest of our Company BSNL till it comes into actual profit – reg.**

**Ref: No.AITEEA/CHQ/HR Dated 16.5.2017**

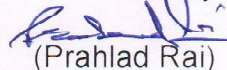

Dear comrade,

In the above cited reference and subject matter, your appeal to support on stay on implementation of 3<sup>rd</sup> PRC and 7<sup>th</sup> CPC benefits in the interest of BSNL till it comes to actual profit. It is not correct on your part to make such appeal against the interest of 2.05 lakhs working BSNL employees and 1.5 lacks BSNL pensioners. As you are aware with the hard work of entire BSNL employees the BSNL has started turning around and making operational profit for the last 4 consecutive years. In view of this BSNL executives deserve to get 15% fitment benefit. Moreover, it is BSNL only who is carrying out all the prestigious projects of Govt. of India in the interest of Nation ie. NOFN, NFS and erection of M/W towers in the Naxalite hit area of the country.

I understand that you have written this letter out of frustration due to non-settlement of some genuine important issues which your association has been raising and all these issues are being supported by AIBSNLEA but even today these issues could not be resolved. But does not mean that one should lose patience and start functioning negatively. Hence, I advise you to continue your efforts for the settlement of these genuine issues without getting disappointed. Success will finally achieved by you. Kindly do not write such negative letters to any one and if possible withdraw your above referred letter immediately in the interest of all of us.

With best wishes,

Yours comradely

  
(Prahlad Rai)
