ITEM NO:2

FOR APPLICANTS(S) Adv. :

Shri Amit Mathur

FOR RESPONDENTS(S) Adv.:

Notes of The Registry

Order of The Tribunal

Heard.

It is, *inter alia*, contended that the order dated 05.07.2017 rescinding Para 1.II (v) of BSNL dated 18.01.2007 regarding grant of extra increment on post based promotion under EPF is arbitrary and illegal. It is contended that this facility was granted way back in 2007 with effect from 2000 and, as a matter of fact, the similarity drawn with the MACP Scheme in this regard is misplaced.

Issue notices to the respondents, returnable in four weeks.

The applicant also prays for interim relief praying that the operation of order dated 05.07.2017 may kindly be stayed.

I have carefully gone through the prayer for interim relief.

Considering the facts of the case, the prayer for interim relief seems to have merit. Accordingly, in pursuance of the impugned order pay revision and any recoveries following this pay revision shall remain stayed till the next date of hearing. If, however, the respondents feel that the facts and circumstances are otherwise than what is stated by the applicant, they are ^{at} liberty to move for the amendment of this order.

List this matter on 05.10.2017.

Issue Dasti.
