DO No. BSNL/20-1/SR/2017

Dated 30.11.2017

Dear Shri Rai,

As you are retiring today after a meritorious service spanning over three decades, I extend my heartiest congratulations to you on reaching this important milestone with a very honourable image.

I am sure you must be retiring with the satisfaction that you could have not served the organization better, in whatever capacity you worked. This I can say because ever since I took over the charge of Director (HR), I have seen you working in close quarters. I found a great leader in you, always coming with wonderful ideas not only showing your concern about the employees' welfare but for the growth of the company as well.

You have been such a rock to our organisation, always standing behind all that firmly, you believe in. As a responsible leader, you have not only been playing your role at CHQ level with all positivity but you were always concerned about grooming a responsible team working at different layers. I am sure the young leaders, you were working with, will take many of your life lessons with them. I acknowledge your deep faith in teamwork and your valued contribution to the organization.

Retirement is an amazing time in one's life. I convey my best wishes on your retirement and wish you a long, cheerful and healthy life.

  
Sujata T. Ray
