Ref : This office letter no. 500-57/2008/BSNL/CA II/Vol III dated 22.12.2008 (Circular No. 168)

Kindly refer to this office letter under reference on the above cited subject. Through this circular it was instructed to remit the pension contribution on the maximum of the Pay Band of the post held by the official (excluding Grade Pay) in respect of the employees working in BSNL on deputation basis and drawing revised pay in CDA scale. In the absence of any instructions from the Government this guideline was issued on provisional basis subject to adjustment to be carried out on receipt of final decision of Government.

Now, DOT, New Delhi vide letter No. 7-45/2008//TA-I dated 20.01.2009 (copy enclosed) has intimated that the clarification on this issue has not yet been received from the DOP&T. But they have advised as an interim measure to recover the Pension Contribution on maximum of the Pay Band of the post plus corresponding Grade Pay attached to the post.

Accordingly, It is therefore, intimated that pension contribution also may be paid as an interim measure on maximum of the Pay Band of the post plus corresponding Grade Pay attached to the post w.e.f. 1.1.2006. It may please be ensured that arrears of Pension and Leave Salary Contribution based on revised scale may also be paid within the financial year 2008-09 positively for the period the official has worked in BSNL. Accordingly, all the concerned units of your circle where from the contribution is being remitted to CCA should also be suitably instructed to follow the above guidelines scrupulously till the clarification from the DOP&T is received on this issue.

Encl : As above.
