**Subject: Request regarding operation of tender for data feeding works in UP (W) Circle.**

**Respected Madam,**

It is a well-known fact that most of the executives and non-executives in BSNL are in their last fifties and are not much familiar to the computer soft wares. Our UP (West) branch has brought in to cognizance of AIBSNLEA CHQ that there is a ban on floating of new tender for data feeding works in UP (W) Circle.

In this regard, it is submitted that in TR and Commercial sections there is an urgent need of data entry operators as the work of TRC feeding cannot be managed without any data feeder.

We would, therefore, request you to kindly review the situation and intervene in the matter to allow operation of tender for data entry work with low cost so that the work in UP (West) Circle is managed smoothly.

With Kind Regards,

Encl: As above

Yours Sincerely
