AIBSNLEA efforts succeeded in getting approval of Management Committee of BSNL Board on the proposal for filling up of vacant about 500 DGM posts in Engineering wing by relaxing the eligibility service criterion of DE service counting of Adhoc and Regular period as on 01.01.2014. Now the CPC process will start but the promotion orders will be issued after 01.01.2014. It will provide relief to DEs in getting promotion upto JAG level. Similarly the BSNL Corporate Office, Pers cell proposal to fix up 1000 DEs posts for MT quota and remaining 4200 DEs posts for seniority quota is yet to be approved by the Management Committee of BSNL Board. We are sincerely trying to get clear the proposal from MC hereafter there will be DE promotions on regular basis only which will meet our long pending demand. Similar actions are being taken for Finance & Accounts, Civil, Electrical and Arch. Engg. Wings also.

We requested to expedite CPC from JTO(T) to SDE (T) of 67% seniority quota to fill-up about 4000 vacant SDE(T) posts. The said CPC work in completing ACRs/VCRs is in progress but Hon'ble CAT Ernakulam Bench has directed not to execute the seniority list for the purpose of promotion. Hence, clearance from Hon'ble court is also needed. The DOP&T OM dated 03.03.2008 on seniority issue has further been sent to GM(Estt.) for necessary clarification.

We expressed our concern against delay in CPC from AO to CAO. It is mentioned that VCRs of the eligible AOs have been received in the CVO Office and being complied and expected that all the VCRs will be received by 15th Sept, 2013 and the CPC may be conducted in the tired week to fill up 272 CAOs posts on regular basis.

We requested to initiate CPC from JAO to AO. It is mentioned that the actual vacancy position of AO cadre is being calculated which is expected more than 1000 and an early action in this regard is being taken to complete the CPC process.
Editorial

BSNL Management should implement the promotion policy that was offered while calling of option for absorption

We are strongly demanding for implementation for CPSU Cadre hierarchy in terms of time bound non-post based functional promotion with status upto the level of JAG selection grade. Promotion beyond JAG selection grade will depend on the availability of posts which was offered while calling of option from Group “B” officers for their permanent absorption in BSNL.

We demanded time bound non-post based functional promotions upto the level of SG JAG in view of the ongoing scenario wherein the carrier progression within reasonable time limit cannot be assured if it is dependent on availability of the posts. For the last 7 years no man-power plan (Posts) has been sectioned in BSNL in order to reduce in establishment cost, the BSNL Management is trying to minimize the staff by introducing VRS, being a PSU, it cannot be overlooked if it has to further become a profit making company and to compete with other private operators. In the present scenario we cannot expect creation of large number of posts in BSNL in the coming years. It is a fact that landline telephone connections are reducing drastically and in the wireless segment which includes GSM telephones, internet/Broadband service, the manpower requirement is very less compared to the requirement in Basic Telephones (Landline) services. This experience has made us to demand implementation of CPSU cadre hierarchy under which executives are promoted to higher grades in the same cluster upto JAG selection grade with status, duties and responsibilities of the concerned grade as in the other PSUs. BSNL Management should concede to this demand which will be in conformity with the promotion policy which was offered at the time of absorption.

BSNL management over looking its commitment as decided for time bound financial upgradation from one IDA pay scale to next higher pay scale up to the JAG selection grade under EPP. These Executives’ will not have the status (change of designation), duties and responsibility of the concerned higher grade. Status/designation of the substantive grade will, however, be available only though post based promotions as per the provisions in the RRs of respective cadres. BSNL notified BSNLMS RR in 2009 for Group- ‘A’ level post for Group- ‘A’ Officers absorbed. As per the Group ‘B’ RRs and Group ‘A’ RRs in BSNL one direct recruit JTO in DoT in the year 1994-95 is waiting for his first functional promotion to the post of SDE(T) on completion of 18 years and one SDE(T) promoted in 1998 DPC is waiting for his 2nd functional promotion to the post of DE even after completion of 15 years. Similar is the situation in the other streams of Executives’ in BSNL. The EPP could provide only financial upgradation but did not reduce the stagnation period in functional promotions. It has demotivated and frustrated the executives. Hence, BSNL EPP have failed to provide the career progression which was offered to us at the time of exercising option for absorption similarly, the young executives recruited by BSNL are also facing stagnation in their promotions.

The Executives’ Associations under the banner of United Forum of BSNL Executives’ Associations launched Agitation Programmes in Feb 2012 and the agitation was deferred after the constitution of a Joint Committee of BSNL Officers and the representatives of Executives’ Associations to submit the recommendations on implementation of CPSU cadre Hierarchy and finalization of E2 an E3 standard IDA pay scales within a period of 6 months but more then 18 months have passed, the Joint Committee till date had no serious discussions on CPSU cadre hierarchy and E2, E3 IDA pay scale implementation. It reflects the indifferent and negligent attitude of the BSNL Management.

In view of the above constraints we are continuously demanding holding of CPCs and issue of promotion orders against the available vacant posts as per the RRs which indirectly supported the BSNL Management to deviate from the non-post based promotion and go for the post based promotion concept but we are firm to our commitment and approach to achieve non-post based functional promotions upto JAG selection grade as was offered at the time of absorption under EPP. Let us, continue our struggle till the demand is met.
AIBSNLEA WRITES

1. Feedback/Comments on framing of BSNL’s own rules and regulations governing conduct of membership verification of Executives’ Associations in BSNL-reg.

In the above cited reference and subject matter, it is submitted that at present only two Associations of the executives enjoy the Trade Union facilities in BSNL. However, after verification of their membership only one Association will be recognized as desired by the BSNL Management. The BSNL Management earlier constituted a committee under the Chairmanship of GM (Trg.), BSNL CO to finalize the terms and conditions for verification of membership for Executives Associations. AGM (SR) circulated the Committee report to all executive Associations for submitting views/suggestions in this regard. AIBSNLEA immediately submitted its views/suggestions. Now the BSNL Management has again constituted a Committee under the Chairmanship of Sr. GM (Pers.) to finalize the terms and conditions for verification of membership for Executives Associations. Further, the feedbacks / Comments on framing of BSNL’s own rules and regulations governing conduct of membership verification of Executives’ Associations in BSNL are as under:

From the draft proposal, it seems that the majority will be decided by counting pan India votes and the majority Assn will control all circles irrespective of their position in that Circle. This is not correct. Circle wise majority has to be counted and given due weightage in that circle like non executives. As in the case of Non-Executives, the proposals have to be modified.

The fate of the ITS officers still continuing on certain conditions prescribed by DOT, are matters yet to be decided finally by the Court of Law. Till finality is arrived in this case, it is illegal to go for a referendum. Government has to take a firm decision in the matter of merger of BSNL with MTNL. It should not happen after the referendum till one term of the successful association is completed. If merger happens after referendum, then the membership condition will be changed and the correct strength will not be reflected. Therefore, the referendum should not take place before the merger, if such a proposal still exists. Otherwise, merger should not take place, in between, during the currency of tenure for successful association.

In view of the above feedback/comments of the Association, we request you for kind consideration and necessary action please.

2. Benefit of 78.2 % for the purpose of fitment w.e.f. 10.06.2013 to JTOs of 2005 Batch who joined after 01.01.2007-reg.

We would like to invite your kind attention to our previous letter dated 12.08.2013 mentioning that BSNL vide its memo no. (1) under reference (copy enclosed) has allowed the benefit of merger of 50% DA effectively amounting to 78.2 % for the purpose of fitment w.e.f. 10.06.2013. Which means that pay of the employees will be re-fixed considering 78.2% IDA merger from 1.1.2007 instead of 68.8% IDA merger as was done earlier and then their pay will be drawn actually as per the new fixation from 10.06.2013. However same has not been extended to JTOs of 2005 batch in many SSAs in the country who joined after 01.01.2007 while BSNL vide memo no. (2) under reference (copy enclosed) has already been approved that the pay of all the JTOs of 2005 batch who joined after 01.01.2007 may be fixed on the same basic pay as a special case in order to remove the disparity of pay between those JTOs of 2005 batch who joined before 01.01.2007 and those who joined after 01.01.2007. It was also conveyed that terms and conditions as contained in BSNL office order no. 1-50/2008-PAT (BSNL) dtd. 05th Mar.’2009 (ref.3) regarding revision of scales of pay w.e.f. 01.0.2007 for Board level and below Board level executives of BSNL will continue to be applicable to all the JTOs of 2005 batch. It is therefore requested to kindly take suitable action for issuance of necessary clarification to all the circles so that benefit of merger of 50% DA effectively amounting to 78.2 % for the purpose of fitment w.e.f. 10.06.2013 may be extended to all JTOs of 2005 Batch who joined after 01.01.2007 to remove the disparity between executives.

3. Transfer & posting of AGMs/DEs of Telecom Operation Stream- Case of 4 DEs who have completed their tenure and not relieved -reg.

Please refer to above mentioned reference and the subject matter wherein transfer & posting of 04 nos. of AGMs/DEs of Telecom Operation Stream, who have completed their hard tenure in A&N Circle were issued.

In this regard, it is to inform that all these four SDE’s have been promoted as DE(Adhoc) in the month of July-2013 and joined in A&N Circle vide order no. 412.2/2013-Pers.I dated 19.07.2013. These DE’s have completed their tenure in A&N Circle but CGMT is not in favour of relieving them without substitutes in the cadre of SDEs. The sanctioned strength of the SDE’s is 31 and the working strength is 17 only. This shortage occurs due to the recent Adhoc DE promotions.

We would therefore request you to kindly posts substitutes in the cadre of SDEs against these DEs, so that these four DEs will be relieved on completion of their hard tenure in A&N Circle.

We would therefore request to kindly issue promotion order of remaining SDEs i.e. about 174 as ACRs and VCRs of these SDEs are available in Pers. Cell.

JTO Phase-I Training to Offg. JTOs, who have already undergone the same training – Reg.

We would like to bring to your kind notice that TTAs those who were officiating as JTOs and passed in the LICE held on 2.6.2013 have been sent further to take JTO Phase-I training in WB Telecom Circle to RTTC Bhubaneswar on 26.08.2013 whereas these Offg. JTOs have already undergone JTO Phase-I training and are working as offg. JTO for the last 7-8 years. It is mere wastage of BSNL's money and time.

Earlier those who had passed 35% Qualifying Screening Test and took the training, subsequently passed 15% Competitive Examination, had exempted for further training and they were simply appointed as Regular JTOs without further training.

This time also our Association in WB Circle requested that these officiating JTOs who have completed Phase-I training should not be sent for further training and the candidates already sent for training may be called back immediately to save BSNL's money and time.

Orders for revision of Revision of Pay of all BSNL Executives/ Non-Executives granting the benefit of 50% IDA Merger with basic pay w.e.f. 1/1/2007 resulting in net 78.2% IDA Merger as on 1/1/2007, were issued vide DOT Memo no.61-01/2012-SU dated 10th June 2013, in accordance with terms and conditions laid down vide DPE O.M. No.2(70)/08-DPE(WC)-GL-VII/09 dated 2.4.2009.

DPE’s OM dated 2/4/2009 clearly specified the date of implementation as 1/1/2007, but DOT’s order has arbitrarily specified 10th June 2013 as cut-off date for revision/payment of salary of BSNL Employees existing in BSNL as on that date, which is clearly in violation of letter and spirit of DPE’s OM dated 2/4/2009. The exact language of DOT order is quoted below:-

“In exercise of the powers conferred by the Article 145 of the Articles of Association of the Bharat Sanchar Nigam Limited (BSNL), the President is pleased to approve the proposal of BSNL regarding the fitment formula as per Department of Public Enterprises O.M. No.2(70)/08-DPE(WC)-GL-VII/09 dated 02.04.2009.

Accordingly, In partial modification of this Department’s Order No. 61-01/2009-SU dated 27.02.2009, the benefit of merger of 50% DA effectively amounting to 78.2% as on 01.01.2007 for the purpose of fitment in respect of the Board Level & below Board Level Executives and Non-Unionised Supervisors and Non-Executives of BSNL is hereby allowed from the date of issue of this order,

2. No arrears will be paid and the revised fitment on the basis of DPE OM dated 02.04.2009 will be paid with prospective effect only.”

2. Deptt. Of Telecommunications had earlier conceded in 22nd SCOVA Meeting held on 19/2/2013 that if at any stage the benefit of merger of 78.2% IDA with pay of serving employees is given, this benefit would also be extended to absorbee pensioners of BSNL. (The minutes of SCOVA Meeting were circulated vide DOP & PW memo No.42/1/2013- P&PW(G) dated 04/03/2013).

4. BSNL replied to DOT’s letter dated 28/6/2013 vide memo No. 1-19/2012-PAT(BSNL) dated 8/8/2013 and stated two important points as enumerated below:-

“In terms of DPE OM dated 2.4.2009, allowing benefit of merger of 50% DA with Basic Pay w.e.f. 01.01.2007, effectively amounting to 78.2% for the purpose of fitment, a proposal with the approval of BSNL Board, wherein, it was proposed to extend the said benefit to the BSNL employees w.e.f. the date of approval of the competent authority and the payment of arrears to be considered after the Company’s operation become profitable, was sent to DOT vide BSNL letter dated 10/9/2012.
DOT vide letter dated 10/6/2013 approved the proposal of BSNL. However it is mentioned in DOT letter dated 10/6/2013 that no arrears will be paid and the revised fitment on the basis of DPE OM dated 02.04.2009 will be paid with prospective effect only.
The referred orders have been implemented in reference of absorbed BSNL employees as on 10/06/2013 only. Since the orders are effective only from this date, the issue of pay revision, notional or otherwise of those employees who retired between 01.01.2007 and 09.06.2013 does not arise.”

5. It is very clear that BSNL Board approved the implementation of DPE OM dated 2.4.2009 in true letter and spirit vide BSNL memo dated 10/9/2012 but Deptt. Of Telecommunications added a rider of cut-off date of 10/6/2013 to the proposal of BSNL Board which leads to denial of benefit of 78.2% IDA Merger as on 1/1/2007 to Pre-2007 and Post-2007 Pensioners/ family Pensioners, which is a gross injustice to ex-DOT Employees retiring as BSNL Pensioners.
In the light of above submissions, you are requested to kindly look into the matter afresh and approve the proposal of BSNL Board dated 10/9/2012 in toto to enable BSNL to make payment of arrears at a future date, at its convenience, after the Company’s operation become profitable and thus resolve the associated problems arising out of imposition of an arbitrary cut-off date for implementation of DPE orders dated 2.4.2009.

9. Regularization of all qualified officiating JTOs-reg.
Ref:- This Association letter No. AIBSNLEA/CHQ/CHQ/ CMD/ 2013dt. 24-7-2013.

A kind reference is invited to our letter cited above on the matter of regularization of all qualified officiating JTOs, wherein we have requested to initiate process of regularization of all the remaining officiating JTOs in the wait list either by one-time personal upgradation or by creating required number of supernumerary posts to accommodate them immediately, as the company has got full powers for both.

Now we are happy to learn that the authorities concerned have already on their way to implement the process of regularization by creating supernumerary posts.

At this juncture, we once again remind you that, any of the vested interest- groups should not be allowed to play behind the screens further to delay the process and damage the career prospects of about 2000 innocent qualified and hardworking officials. All the qualified TTAs now officiating as JTOs after completing the pre-requisite training, are at par with the 3500 JTOs already got regularized in the year 2007, in all respects.

Our earnest and humble request is that, creation of supernumerary posts may be done in continuation of the 3500 posts previously created, so that the new incumbents may get their due seniority as per eligibility based on position in the combined wait list of 6000 candidates, in continuation of those who were regularized prior to them. However, the seniority issue should not be highlighted as a hindrance to settle the matter at this stage, as, such issues can be settled even later, after releasing the regularization order, as per the prevailing rules applicable for all.

All the officiating JTOs have been functioning as JTOs for the past eight (8) or more years in various field units all over the country and their contribution can not be underestimated at any rate. On regularization, all of them can be posted in their existing units, without any financial implication, as they are already deployed in areas having acute shortage of JTOs.

Considering the facts that, majority of the affected group, are now left with a short span of remaining service and have already undergone a prolonged suffering for none of their fault, the regularization order may please be released at the earliest possible. An immediate favorable decision on the above is solicited, in the true interest of the company and its hardworking employees.

Assuring our best co-operation always,

(3) BSNL Corp. Office letter no. 1-50/2008-PAT (BSNL) dtd. 05th Mar.’2009

We would like to invite your kind attention that BSNL vide its memo no. (1) under reference (copy enclosed) has allowed the benefit of merger of 50% DA effectively amounting to 78.2 % for the purpose of fitment w.e.f. 10.06.2013. Which means that pay of the employees will be re-fixed considering 78.2% IDA merger from 1.1.2007 instead of 68.8% IDA merger as was done earlier and then their pay will be drawn actually as per the new fixation from 10.06.2013.

BSNL /DOT ORDERS

1. Posting of Office Bearers of Executives’ Associations in Sensitive Posts - Instructions regarding

The issue of posting of office bearers of Associations in sensitive posts has been engaging the attention of the Corporate Office for some time. This is necessitated for mitigating perception of possible one-upmanship by the office bearers of one Association towards members of other Associations, while holding such sensitive posts in the organization.

2. After deliberating the issue in detail and with due consideration of various administrative exigencies, it is suggested that, in general, the office bearers of Associations may be excluded from postings in HR/Admn and Vigilance Wings except in circumstances which warrant otherwise in the overall interest of service and to be agreed by the Circle/SSA/Units Heads.

It is requested that while making transfer/postings, the above guidelines may be adhered to.

7. Executive Promotion Policy [EPP]: Clarification regarding applicability of ‘Mandatory Training’ in subsequent time bound up gradation when it was exempted in previous up gradation.
This office has received references from field units seeking clarification on the applicability of mandatory training for a subsequent time bound scale up gradation when this training was exempted in previous time bound up gradation due to nearness of retirement [two years.]

Specifically, cases have been noticed where the first time bound up gradation was delayed due to provisional E-1/E-2 scales after 2nd PRC (i.e. 01.01.2007 onwards) and a general guideline was issued to grant 1st up gradation to these executives after 6 years (maximum period for 1st TBP) vide BSNL CO order no. 400-61/2004-Pers.II(Part-I) dated 08.04.2010. Some of these executives were nearing their retirement (.two years) and were granted exemption from mandatory training as per rules. Later, this order was withdrawn and executives were allowed 1st TBP with attendant conditions of EPP i.e. flexibility of 4-6 years was restored, vide BSNL CO order no. 400-61/2004-Pers.II(Part-I) dated 18.3.2011. The second order necessitated pre-dating of date of 1st TBP for some of these executives who touched next higher scale before 6 years and also became eligible for 2nd TBP during their service. The grant of 2nd TBP is incumbent on the completion of mandatory training attached with the 1st TBP. Since, the executive was exempted from mandatory training after his 1st TBP due to his

Sweets were distributed. Before the commencement of the meeting Com.Prahlad Rai met the CGM, STR, Chennai with the CS, CP and the Branch Secretary. Though the purpose is just for a courtesy call, the CGM expressed the concern over the present position of the BSNL. The retention cases our GS represented were settled and the CGM was more helpful in resolving this issue. Our GS committed to extend our unconditional co-operation to the administration in the efforts taken for the survival of the BSNL. Com.VKP, Advisor, CHQ from Madurai, Com.Durai, ACS, Com.Ravi, ACS from Dharmapuri attended and addressed the meeting. Com.VKP narrated the pay fixation case of DR JAOs/JTOs which is being pusuued exclusively by AIBSNLEA and the pending issue on extension of option beyond 07-05-2010 to avoid heavy pay loss to those JAOs/JTOs promoted and posted after 07-05-2010.

Com.Durai explained the recent developments in all DPCs to be conducted and the difference in approach and attitude between our Association and others. The efforts taken in building unity among all Associations and Unions to fight out against the policies of the management and to settle long pending issues like 78.2% IDA fitment were recollected. Com.Sivakumar, CP spoke sharply on the achievements of AIBSNLEA and the tireless efforts taken by our GS in resolving the issues of all Executive Cadres. Com.Veerapandian, the CS talked about the actions taken by AIBSNLEA to settle the Pensioners’ issue on 78.2% IDA fitment. The purpose of announcing the membership verification by the management was flayed and the necessity of building unity among us at this critical juncture was pointed out.

Com.Ponnusamy DGM (F) and the Branch President was honoured by our GS and presented shawl as a token of respect and in lieu of his superannuation in this month. His service and involvement which help build our Branch strongly was appreciated by the CS and the GS. Com.Ravi, ACS spoke about the importance of developing our AIBSNLEA in STR wing and the settlement of individual Cases.Com.GS was shawled by Com.Ganesh. Com. Prahlad Rai, our GS in his elaborated speech covered all the cadre issues settled in the past and the present condition of some important issues like JTO/JAO to SDE/AO, DE/CAO to DGMs DPCs, Regularization of Officiating JTOs, Option for Pay fixation of those who have been promoted on or after 07-05-2010, Extension of 78.2% IDA Fitment Benefit to those retired between 01.01.2007 to 10.06.2013 and about the policies posing the threat to the Financial viability
of BSNL. On membership verification, he told that the proposal for check off system put forth by the management cannot be accepted. The system of Secret Ballot adopted as in the case of verification of Non-Executive Unions has to be extended to the verification of Executives also. He pointed out the essential and important role played by the Maintenance wings particularly by our STR, Chennai. He appreciated the pioneering role and the task of our Executives for the successful implementation of the ERP project in STR. The importance of continuous connectivity through OFC network in maintaining and giving efficient service both in CFA and CM planes was remarkable, he added.

The efforts taken by our CHQ to conduct DPCs for the promotion of 400 DEs to DGMs, 1671 SDE to DE, 200 CAO to DGM (Finance), DEs Adhoc to DEs Regular were explained. There are about 1000 vacancies in AO cadre. The hurdles put forth in the Honorable Chandigarh Court were removed. Within a period of two months the AO DPC will be finalized. External JAOs 200, DR. JAOs 300 and departmental Promotees as JAOs 500 will be covered in this AO DPC. Already about 2300 posts of SDEs were filled through LDCE. In the cadre of SDE Still about 4000 SDEs posts are to be filled through Seniority cum Fitness Quota. But due to court cases the DPC is badly delayed. For CAO (adhoc) to CAO Regular VCRs were already called for. Within 15 days all the VCRs are expected to be received by Corporate Office and DPC will be completed thereafter to fill up the 272 vacancies of CAO Regular. The ITS absorption issue is now shifted and it is fought jointly by all Unions and Associations through court of law. We filed case against ITS Officers jointly with BSNLEU and SNEA.

Out of 5200 STS posts of Engineering it was now agreed to earmark 1000 STS post for filling up through MT Quota. The remaining 4200 posts of STS (Engg) will be filled up through Seniority-cum-Fitness Quota on Regular Basis. In future all the STS posts will be filled up only on Regular basis. This will be made applicable to Finance and other wings also. The era of ADHOCISM has come to an end. This will pave the way for youngsters and the seniors to become upto SG JAG grade without any mutual conflict. This is a major achievement of our Executives’ Associations.

In respect of CPSU Cadre Hierarchy we are able to arrive at a consensus among all Executive Associations and a common Draft will be submitted to the Committee. We are not against the youngsters getting quicker promotion by appearing in the Competitive Examinations. We strive hard to get PPS and Senior PPS posts to PSs. The management is so far not accepting and emphasizing for the Restructure of PA Cadres. On Financial viability of BSNL the GS has given detailed information including recent developments. For the consecutive foure financial years our BSNL is incurring Loss. During the last financial year we could be able to reduce the loss to the tune of 600 crores. Since the Inflow of cash into BSNL is drastically reduced and even the payment of salary will become difficult every month. The Govt. has not fulfilled its commitment in refunding the spectrum charges levied from BSNL but collected the interest to the tune of Rs. 12000 Crores for the virtual Loan of Rs. 7500 Crores. The proposal of the management of Disinvestment and VRS could not be accepted since the same proposals implemented have not borne any benefit. He appealed all to work hard unitedly despite all constraints for the betterment of BSNL. He thanked wholeheartedly the STR Branch Comrades for having arranged such a nice meeting here for the first time. The participation of lady comrades in large numbers is really commendable in STR. The settlement of transfer and posting issues in respect of Engineering and Accounts wing of STR done by our Association today has broken the hurdles and inspired all Executives beyond their loyalty.

Com.Thangam finally thanked all participants for their co-operation extended which helped the success of the meeting and the GS in particular and the other leaders for the valuable contributions. Special meeting at Salem on 01.09.2013: Com. GS, Advisor CHQ Com. VKP and Circle President MH Circle Com. Mohire attended and addressed the Special meeting at Salem on 01.09.2013 of our TN Circle. done in a grand manner by the Salem SSA Branch under the guidance of Com. Govindarajan, CWC Member and Com. Sunder, President of the Branch. Com. Shanmugasundaram the Branch Secretary organized the members fully. From all SSA Branches, our office bearers and members attended the meeting. The Meeting was presided over by Com. Sivakumar, CP. Com. Shanmugasundaram, BS welcomed the gathering. Com. Sivakumar, CP, Com. Durai, ACS, Com. Ravi, ACS addressed the meeting.

While Com. Sivakumar addressed, he recorded the pivotal role played by our General Secretary in achieving the 78.2% IDA fitment and opening the way for the settlement of regularization of the officiating JTOs. The entire mass of the conference gave a standing ovation in token of affection towards our GS and in lieu of appreciation of the role he played in the settlement above issues. Com. Mohire, the Circle President of MH Circle mentioned that the policy taken by the BSNL C.O. in respect of attending to the faulty cards pertaining to CMTS switches leads to dislocation of services and BSNL is earning bad name on account of this. The assignment already given to ITI Bangalore in the name of AMC was reported to have been withdrawn. We demand that the AMC has to be renewed.

Com. VKP Advisor CHQ spoke in length about the achievements of AIBSNLEA and our GS done in the past 7 years. He highlighted settlement of issues such as 30% pay fitment Benefit, Implementation of Executive Promotion Policy, Regularization of Adhoc Service for the purpose of granting 2nd Financial Upgradation, Concessional Mobile facility, Concessional Broadband facility, Replacement of Mandatory training to online training. He further highlighted the latest position on the issue of option to those who have been promoted on or after 07-05-2010 by citing relevant orders and so on.

Com. Prahlad Rai, our GS in his elaborated speech covered all the cadre issues settled in the past and the present condition of some important issues like JTO/JAO to SDE/AO DPCs, SDE/AO to DE/CAO DPCs, DE/CAO to DGM(T)/DGM(F) DPCs and equivalent cadres DPCs, Regularization of Officiating JTOs, Option for Pay fixation of those who have been promoted on or after 07-05-2010, Extension of 78.2% IDA Fitment Benefit to those retired between 01-07-2007 to 10.06.2013 and about the wrong policies of the Govt. posing the threat to the Financial viability of BSNL. On membership verification, he told that the proposal for check off system put forth by the management cannot be accepted. The system of Secret Ballot adopted as in the case of verification of Non-Executive Unions has to be extended to the verification of Executives also. The ITS absorption issue is now shifted and it is fought jointly by all Unions and Associations through court of law. We filed case against ITS Officers jointly with BSNLEU and SNEA(I). Regarding Civil, Electrical and Architectural Wings, our consistent efforts gave fruitful results and according to which it was agreed to amend the Recruitment Rules so that the SDEs having Diploma Qualifications will be considered for the promotion of EEs of the respective Wings. Out of 5200 STS posts of Engineering it was now agreed to earmark 1000 STS post for filling up through MT Quota. The remaining 4200 posts of STS (Engg.) will be filled up through Seniority Cum Fitness Quota on Regular Basis. In future all the STS posts will be filled up only on Regular basis. submitted to the Committee. We are not against the youngsters getting quicker promotion by appearing in the Competitive Examinations. We strive hard to get PPS and Senior PPS posts to PSs.

On Financial viability of BSNL, GS has given detailed information including recent developments. For the consecutive four Financial years our BSNL is incurring Loss. During the last financial year we could be able to reduce the loss to the tune of 600 crores. (From 8800 crores to 8200 crores) since the Cash Flow into BSNL is drastically reduced even the payment of salary will become difficult every month. The basic materials required like UG Cables, Drop Wire, Instruments and Modems for the expansion of CFA and CM network could not be sufficiently supplied by the Management. It affects the growth and subsequent revenue increase. We are persuading the management to explore the possibilities for supplying those materials without any break. The materials kept idle and lying waste in our premises and go-downs may be scrapped or reused. The performance of Tamilnadu Circle is comparatively better and we should see that our resources are drained. The Govt. has not fulfilled its commitment in refunding the spectrum charges levied on BSNL but collected the interest to the tune of Rs. 12000 Crores for the National Loan of Rs. 7500 Crores which was not all paid at the time formation of BSNL. The proposals of the Govt. i.e. 30% disinvestment and VRS on the basis of Sampitroda Committee recommendations could not be accepted since the same proposals implemented have not borne any benefit.

He appealed all to work hard unitedly despite all constraints for the betterment of BSNL. He thanked wholeheartedly the Tamilnadu Circle and Salem SSA Comrades for having arranged such a nice meetings within a very short span of time and requested to strengthen our Organisation in Tamilnadu so that we have to win in the Membership Verification and be recognized as the single largest Executive Association in BSNL. With the vote of thanks given by Com. Sundar the meeting came to an end. This meeting will definitely have impressed and will last long in the memory of our Comrades.

Brief response to the draft views of the official side on the issue of introduction of Time Bound Functional Promotion/CPSU cadre hierarchy in BSNL.
Ref: BSNL Letter No: 4-5/2-11-Restg dated 01.07.2013

The Joint Committee comprising members from official side as well as from Association side has been constituted by the competent authority on 28.02.2012 with the following terms of reference:

i) To examine the introduction of CPSU cadre hierarchy viz-a-viz present set up.
ii) Due to non approval of E1A and E2A by government, to examine the introduction of E2 and E3 pay scales for JTOs and SDEs.

When the committee members from the official side insisted to give the proposal on implementation of CPSU cadre hierarchy from the Association side, all the three Associations jointly submitted its proposal on 12.10.2012. The main focus of the suggestions from the Association side was based on the following facts:

a) The terms and conditions of absorption in BSNL provided non post based Time Bound functional promotion from JTO/JAO and equivalent cadres upto SG JAG between 4 to 6 years of service. This is not implemented in BSNL so far.
b) This will end two tier promotion system, Time Bound Financial upgradation and post based functional promotion in BSNL.
c) The promotion will be delinked from existing seniority and more emphasis will be given on performance. That will automatically bring performance oriented career progression.
d) The entire seniority list in DOT/BSNL is challenged in different courts. BSNL is not in a position to give promotion to any cadre due to litigations.
e) By introduction of Time Bound functional promotion, career growth of the Executives will be taken care, which will definitely motivate the executives and automatically result in much more output. Further, a performance oriented promotion scheme will be introduced in BSNL through which performers will be identified and rewarded in time. That will contribute towards the further growth of BSNL.
f) There are no additional financial implications on BSNL, rather there will be savings on implementations of Time Bound Functional promotion in terms of “double fixation”. The Executives are benefitted by timely promotions also.
g) The middle management positions can be easily filled which will fill the vacuum in the middle management as on today.

Serious deliberations yet to take place in the Joint Committee on the proposal given by the Associations. On 19.02.2013, the official side made presentations regarding the promotion policies implemented in other CPSUs like NTPC, BHEL etc. It can be observed that in those CPSUs, much weightage is given for performance and experience. When official side has come out with some additional data, naturally it was expected further deliberations in the Jt committee. The UF repeatedly demanded for the same.

With regard to the observations of the official side, brief comment is submitted as follows which requires further detailed discussions in the Joint Committee:

i) Time bound financial upgradation implemented in BSNL w.e.f 01.10.2000. In terms of excellence in individuals performance, it is worth mention that no mechanism is introduced in BSNL to measure the individual performance even after 12 years eventhough the associations are repeatedly demanding for the same. Without introducing a mechanism and measuring it objectively, it is unfair to jump into the conclusion that “the individual performance is not improved”.

ii) While demanding the implementation of Time Bound functional promotion as per the terms and conditions of the absorption, Associations strongly proposed the implementation of
performance driven promotion policy. Being that the fact, the observation of the official side that the Assns are “remaining silent on the all important aspect of performance” is unwarranted.

iii) The demand of Time Bound Functional promotion or CPSU cadre hierarchy is not a new demand, it is part of the terms and conditions for absorption in BSNL. Only the implementation is pending and the Jt Committee is supposed to deliberate on that aspect.

iv) The educational qualification of the executives for promotion from one grade to the next grade is already defined by TBP policy and BSNLMS RR. Further, it is also defined by the terms and conditions of absorption for the promotions upto SG JAG.

v) The bench mark for functional promotion is already stringent than that of Time Bound financial upgradations. The United Forum in its proposal suggested higher bench marks for Time Bound functional promotions considering the bench marks for the cadres like DE, DGM, GM, CGM etc in the BSNLMS R/R. When the bench mark for GM and CGM is “very good”, naturally the bench mark for lower cadre cannot be higher than that. The bench mark has to be lower for lower cadres.

vi) As per the terms and conditions of absorption, the promotion varies from 4 to 6 years. This provision of Time Bound Functional promotion has been incorporated in the terms and condition of absorption after careful study of the performance oriented promotion policies available in different CPSUs by the BSNL Management at that time. The Management took a conscious decision at the time of absorption to switch over to a performance oriented Time Bound Functional Promotion policy and decision became part of the terms and conditions of absorption. So the present committee has to deliberate the mechanism for its smooth implementation.

vii) BSNL Management sought the opinion of the Associations regarding change of designations. All the associations given its view and suggestions during 2010 itself. The same has been circulated to the field units by the BSNL management on 14.01.2011. However the suggestion made by the Associations are not at all reflected in this letter. Further it has to be deliberated in the Joint Committee. On implementation of Time Bound Functional promotions, so many designations as suggested are not at all required in BSNL.

With the above submissions, it is requested to convene the Joint Committee meetings at the earliest to have fruitful deliberations on both the issues, which are terms and reference of the joint committee. It would be appropriate to mention here that the “Joint Kapoor Committee” referred in this letter constituted to frame BSNLMS RR convened 20 to 30 meetings before coming to a conclusion. This shows that Implementation of Time Bound Functional promotions or CPSU cadre hierarchy against existing promotion policies in BSNL requires detailed deliberations in the Joint Committee.
