Sir,

Sub: - **Requesting to revise allowances based on 78.2% IDA merger and restoration of LTC – req.**

The Forum meeting, held on 04.03.2016 has decided to demand the following.

**(a) Revision of allowances, based on 78.2% IDA merger.**

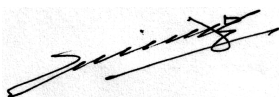

The wages of BSNL employees stand revised based on 78.2% IDA merger, vide BSNL letter no.1-16/2010-PAT(BSNL) dated 10.06.2013. While signing the agreement with the Forum, the Management has assured that it would look into the demand for revision of allowances based on 78.2% IDA merger subsequently. However, even after the lapse of more than two and half years this demand has not been accepted. Meanwhile, a lot of improvement has come in the financial position of BSNL, for which the employees are contributing in a major way. Hence, we demand that the allowances of the employees should immediately be revised based on 78.2% IDA merger.

**(b) Restoration of LTC.**

It is more than 5 years, since the LTC facility of the employees is frozen. Hence, it is time for BSNL Management to restore LTC to the employees. It is also not out of place to state here that, the ITS officers on deputation to BSNL, are being allowed to avail LTC. Thus, when LTC is being allowed to one section of the officers, it is unfair on the part of the Management to deny the same to others. Hence, it is strongly demanded that LTC may immediately be restored to all the employees.

Thanking you,

*Yours sincerely,*
