Subject: Promotion in the Telecom Factory Wing – Our request regarding.

Respected Madam,

On the subject cited above, we would like to extend our sincere thanks for conducting the CPCs for promotions in various cadres at a fast track before implementation of CPSU cadre hierarchy. In this regard, it is submitted that the Executives from Telecom Factory wing are the most sufferers which need to be addressed suitably:

- As on today, the total working strength in the cadre of DGM (TF) is 4 against the sanctioned strength of 14. Thus there is a shortage of 10 whereas, sufficient number of eligible candidates is available.
- The total working strength in the cadre of SDE (TF) is 52 against the sanctioned strength of 98. Thus there is a shortage of 46 whereas, 29 eligible JTOs are readily available. LDCE quota posts can be diverted to SCF quota posts to promote these eligible JTOs
- The total working strength in the cadre of JTO (TF) is 29 only against the sanctioned strength of 149. Thus there is a shortage of 120. Hence, LICE may be conducted.

The above status shows that the career progression in this wing is much laggard compared to the other streams. Because of this, the executives of Telecom Factory wing are very much distressed.

For maintaining equality and parity among the fellow streams, it is requested that benefit of diverted / upgraded posts should also be extended to these deprived cadres of Telecom Factory wing.

With kind regards,

Yours sincerely

(Prahlad Rai)
General Secretary
