Greetings for the day Sir!

This is to bring to your kind knowledge that after reaching out to your good self yesterday vide our letter number GS/AIGETOA/2020/82 dated 10.08.2020 and our conversation with various OBs, some references have been received.

In this regard, we have already stated that we are open to discuss and deliberate to find a mechanism to move ahead in the event of AIBSNLEA extends its support to the AIGETOA in the upcoming 2<sup>nd</sup> Membership Verification. Since some references have been received from various Circles and hence in continuity of the yesterday appeal, I would like to submit followings to you further consideration with respect to seeking your benign support to the AIGETOA in the ongoing membership verification.

- A Central Coordination Committee will be constituted which will discuss and deliberate on all policy matters. The efforts will be made to bring a consensual decision on the policy matter, which will be adopted by AIGETOA for pursuing the matter with the management.
- The AIGETOA will make efforts to accommodate members from AIBSNLEA side in vital meetings with management on policy matters and issues of importance.
- The AIGETOA will move ahead with inclusive approach and firm commitment for a long lasting bonding in the best interest of BSNL and its executives.
- In addition to above, we are ready to meet, discuss and decide further if the positive decision is taken by the AIBSNLEA to support AIGETOA in the membership verification.

In anticipation of your whole heartedly support to us.
