Sub: - One time relaxation in JAO Part-II Departmental Examination-Reg.

Respected Sir,

The JAO Part-II Departmental Examination both 10% and 40% have been held in December 2009 and January 2010 respectively as a one time measure and as a last chance for the departmental candidates in old syllabus. Results also declared in all the Circles except Andhra Pradesh Circle.

The percentage of passing in all most all the circles is very less. This is due to wrong questions and new pattern of question paper. For example,

1. As per circular no.4-29/2003-SEA (BSNL) dated 12.10.2009, Paper II will be practical. But questions asked in this paper II were theory questions.
2. In paper V, Civil Works, Question No.1, Value of bricks was given Rs.320 per % (i.e. 100 bricks). It is contrary as detailed below.
In the First RA bill it was stated Rs.120000/- was granted as Secured Advance for 500000 bricks as worked out below. Assessed value Rs.320.75% of assessed value Is Rs.240 X 500000/1000 = Rs.120000. This mistake committed in the question paper created lot of confusion among the candidates.

Due to these reasons a good number of candidates could not qualify the examination for want of just few marks, resulting in a large number of departmental vacancies unfilled. For example in Karnataka Circle total vacancies are 226. Only 71 candidates qualified out of 752 candidates appeared for the examination. Similar is the position in all Circles.

Hence we request you to consider a relaxation of 10 % to 20% marks may kindly be extended to the candidates for both 10% and 40% quota, considering the service rendered by these candidates and their age factor. This will help to fill up the vacancies.

With kind regards,

Yours Sincerely,

(Prahlad Rai)
General Secretary
