Sub:- Bulk Inter-SSA transfer of executives'- in the cadre of JTO(T)/ SDE(T) in Kerala Telecom Circle- counting of stay outside for less than two years prior to 2007 as break for assessing long stay- Orders for Bulk inter-SSA transfers in the cadre of SDEs/ JTOs are under process now in Kerala Telecom Circle based on long-stay basis-reg.

Sir,

We would like to bring to your kind notice that orders for Bulk inter-SSA transfers in the cadre of SDE (T)/ JTO (T) are under process now in Kerala Circle based on long-stay basis. It is noticed that, service done in other SSAs for periods less than two years (during the DOT era, i.e., before declaring BSNL Transfer Policy in 2007) is not counted as a break for calculating length of stay in the lists now published. As a result of this, those who have already gone out of the SSA on transfer will be again and again transferred.

If the period of service in other SSAs with length of less than two years is not considered as a break in the calculation of long stay in the parent SSA, a good number of seniors who worked outside SSA in the interest of service, are again forced to go out. To avoid this anomaly, we request that, the service rendered in other SSAs prior to 2007 i.e., prior to the year in which BSNL transfer policy came in force, may be counted for break for the calculation of long standing even though it is a period less than two years, in view of the fact that, such a stipulation was not there prior to 2007.

In fact such a relaxation in the case of break-period was allowed in 2011 consequent to the interference of this association. But now the Circle administration is denying this genuine demand.

We would, therefore, request you to kindly instruct the Kerala Telecom Circle to allow the genuine relaxation in this regard as done in the previous years. An early kind intervention is solicited.

With kind regards,

Yours Sincerely,
-sd-
