**Subject: - Request for providing Health Insurance Scheme to the BSNL Willing employees in addition to the BSNL MRS – Reg.**

**Respected Sir,**

We would like to draw your kind attention on the above cited subject. BSNL Employees Medical benefits has been covered under BSNL MRS.

For the past one year, Covid-19 Pandemic has been spread throughout the Nation and at present every day more than 3 Lakh People are declared Covid Positive. Our BSNL employees who are serving day and night to maintain the essential Telecom Services as a Front Line runner also affected by Covid-19. At present no prescribed Medical treatment of this disease is available in Medical Science. In these circumstances, very huge amount is required for treatment.

In this hard time, BSNL employees has to get medical facility and Medical reimbursement in time, so that they will not only save their own life but also safeguard their family. Last few years BSNL revenue has drastically reduced resulting in employees Medical benefits were delayed or curtailed. Due to the difficulties being experienced by the Employees, **it is suggested that the Health Insurance Policy has**

**to be arranged by the BSNL Management for the willing employees in addition to the existing BSNL MRS.**

If the BSNL Management is functioning as a Facilitator, the employees will get the Health Insurance Policy at a reasonable Premium amount and the Premium amount can be deducted from the Employees' Salary and can be remitted to the Insurance Company by the BSNL Management as in the case of GTI Scheme.

In view of the foregoing facts, we would request your good self and BSNL Management to kindly consider the suggestion as a Welfare Measure and a Primary need of the Employees to safe guard their life and their family in this difficult situation.

With kind regards,

Yours sincerely,

**(S.Sivakumar)**
