**JOINT ACTION COMMITTEE OF  
ASSOCIATIONS/UNIONS  
OF BSNL EXECUTIVES & NON-EXECUTIVES  
NEW DELHI**

---

**Resolution**

This meeting of the Joint Action Committee of BSNL Associations / Unions of Executives & Non-Executives held at New Delhi on 26<sup>th</sup> May, 2010 after through discussion resolves to demand the Communication Minister and the Government of India to waive the 3G Spectrum and Broad Band Wireless Access (BWA) Spectrum charges for BSNL, the telecom PSU, considering its present financial condition as also considering the fact that the government has already got sufficient funds through the 3G Auction and is also expected to get the same in the Wireless Access Spectrum auction.

Waiver of 3G Spectrum and Broad Band Wireless Access (BWA) Spectrum charges to BSNL is very much necessary in view of the fierce competition faced by BSNL as also considering the social responsibility entrusted to it to implement the government commitments on universal service obligation etc.

  
(Unanimously Passed)
