No.AIBSNLEA/CHQ/Resolution/2010

Dated 10/02/2010

RESOLUTION

Sh.Ram Chandra Shama & three others ITS Group "A" officers who have still not been absorbed in the BSNL, they have moved an O.A.no.579/2009 before the Hon'ble CAT Bench Jaipur, praying for issuing direction to BSNL to consider them for promotion to the post of DGM. Accordingly an interim order has been passed for their consideration but the result has to be kept in the sealed cover.

On account of above litigation the promotion to the post of DGM have been put to at halt which is prejudging and adversely affecting the rights of absorbed Group"A" officers in BSNL who are even member of AIBSNLEA.

Astonishingly absorbed Group"A" officers have been impleaded party to the OA in representative capacity where as substantial number of officers who are member of Association have not been impleaded deliberately, so that the matter may not be contested effectively. Thus, to protect the rights and the interest of the members of the Association it is necessary to contest the matter by getting impleaded party in the array of respondents.

The Association therefore, unanimously resolved and decided to authorize Shri O.P.Jat, Circle Secretary, AIBSNLEA, Rajasthan Circle to move the application in the aforesaid O.A. and get the Association impleaded party and contest the matter by taking suitable steps.
