Saikripa, E1/49, Artist Village,
Sector 8, CBD Belapur,
Navi Mumbai 400 614.

No: TESA CHQ/RGB/2008

Dated 5th Sept. 2008.

Dear Comrade Basu,

This is with reference to the various correspondences made by you endorsing copies to the undersigned regarding Requisition General Body of our Association. From some of the letters, I infer, you are going to hold an office bearers' meeting to decide about the fate of TESA and its settlement.

In this connection, during my visit to Jaipur to attend the recently held All India Conference of AIBSNLEA, many of the erstwhile TESA members met me and requested that at least circle secretaries of TESA should be called for the proposed office bearers' meeting and their views are to be taken into consideration for finalizing the venue/ strategy to settle the TESA affairs.

I personally feel, there is no harm in calling meeting of CHQ office bears and circle sectaries. Therefore, I suggest, the proposed meeting of office bearers may be extended to Circle Secretaries also and call this meeting at the earliest, which will create better understanding and healthy atmosphere in the prevailing situation.

With regards,

Yours sincerely,

(K. BALASUBRAMANIAN)
