BSNL Management is not at all serious to introduce CPSU cadre hierarchy and implementation of E-2, E-3 IDA pay scales for JTO & SDE equivalent executives. The Joint Committee of BSNL offices and the representatives of BSNL Executives Associations was constituted in Feb-2012 to discuss and submitted its report on both the issues with in a period of six months but even after a lapse of one and half years, no serious discussions has taken place in the Committee Meetings. Executive Associations has already submitted their unanimous opinion/suggestion on CPSU Cadre hierarchy but the Management side has not started discussion on this. Similarly, E-2, E-3 standard IDA pay scales implementation case has so far not even discussed in a single meeting. It clearly shows the negligent attitude of the BSNL Management. Executives Associations now further has to decide the strategies for the settlement of the above issue to provide justice to BSNL executives.

The cadre related issue of PA/PS to PPS post creation, AD(OL) cadre restructuring, Offg. JTOs regularisation and modification in BSNL MSRRs of EE(C/E) etc are also important issues and need immediate settlement but the BSNL Management is delaying the settlement.

AIBSNLEA succeeded in getting reserved 25% DE Posts (1325) of MT Quota instead of 50% DE Posts (2650). Now 3975 DE posts will be reserved for DE regular promotion. The proposal has been approved by Management Committee of BSNL Board and will be sent to BSNL Board for approval.

SEA Cell has already sent a proposal to notify MT examination of internal quota to fill up 330 CAOs posts out of 1347 CAO sanctioned posts to Rect. Cell of BSNL C.O. It comes about 25% of total CAO posts.

AIBSNLEA requested to review JAO Part-II Exam result wherein many candidates have failed with 1-2 marks in CPWD paper. Some grace mark given, may help to fill up the vacant JAOs posts in Circles immediately. The matter is under active consideration.

Recently a draft proposal on the basis of the Committee Headed by Sr. GM(Pers.) on Membership verification of BSNL’s Executive Associations has been sent to BSNL’s Management Committee and the efforts are being made to get approved from BSNL Board in the month of Oct., 2013 itself. Hereafter, the immediate steps for membership verification will be taken. The procedure for secret ballot voting is to evolve and the supporting Association also proposed some limited T.U. facilities.

In the meeting with the Members of the Committee on deciding terms & conditions for Membership Verification of Majority Executive Association on 01.10.2013, AIBSNLEA impressed upon for consideration of the suggestions / views submitted vide letter no. AIBSNLEA/ CHQ/ DGM(SR)/2013 Dated: 06th Sept,2013 in full. The Committee Members explained that the suggestion on secret Ballot paper and no encroachment in the internal functioning of the Association has been considered but the “Right to Negotiation” power to majority Executive Association is not acceptable to the Committee at par non-executive Unions. AIBSNLEA categorically mentioned that in case the “Right to Negotiation” power is not given even after such a big verification exercise then it will be a futile exercise only. Committee members clarified that Management concern is to end multiple functioning of the Executive Associations. Hence, a single majority Executive Association will be granted formal meetings and recognition and one supporting Association having more than 15% members may be given some limited Union facilities.

The implementation of 78.2% pay fixation order of BSNL Pensioners was discussed with AST, DoT, wherein she mentioned that case is under consideration and certain queries made by Pension Cell of DoT have been clarified, shortly the proposal will be sent to DoP&PW for clarification. While discussion, she expressed serious concern to the Viability of BSNL and advised to increase revenue by providing quality service. She mentioned that there is continuous decline in BSNL’s Landline whereas now it is static in MTNL. Hence, BSNL should arrest continues decline in Basic Services. Govt. support is there but BSNL has to stand on its feet. However, most of the issues raised by BSNL for financial help have been taken up with finance Ministry by DoT.

4TH ALL INDIA CONFERENCE OF AIBSNLEA AT NASHIK (MAHARASTRA) 
FROM 10TH TO 12TH NOVEMBER -2013.

All India BSNL Executives’ Association is holding its 4th All India Conference at Nashik (Maharashtra) w.e.f. 10th to 12th Nov., 2013. The Pre AIC CWC Meeting will be held on 9th Nov., 2013 at the same venue. AIBSNLEA could settle may important HR issues during the last 7-8 years i.e. Implementation of Executive Promotion Policy, Perks for the executives w.e.f. 01.01.2005, transparent Transfer Policy, Absorption of Group-'A' officers, IDA Pension Revision, 2nd PRC with 30% fitment benefit, 78.2% IDA pay fixation, filling up of the vacant HAG/SAG/JAG/STS/ Group-'B' level posts and may other issues. AIBSNLEA along with BSNL Unions/ Associations struggled to the Viability of BSNL related issues. Financial Viability of BSNL and some pressing unresolved HR issues will certainly be the matter for discussion to decide the future course of action. The agitation programmes jointly launched under the banner of Forum of BSNL Unions/ Associations and United Forum of BSNL Executive Associations’ and its outcome will be the important issues during the discussion in the AIC.

In the organizational front, we are to ascertain that our membership is in majority in all the SSAs/Circles. All India BSNL Executives’ Association (AIBSNLEA) came in to existence with the merger of 10 DoT Officers Associations after the absorption of Group-'B' officers in BSNL as its executives. During the last eight years AIBSNLEA has made its presence strongly felt and it is regarded as a strong Association of the Executives in BSNL. AIBSNLEA functions democratically and safe guard the interest of even the smallest cadre with the same spirits to be given to the larger cadre. As a result, the membership of AIBSNLEA has increased manifolds.

We are to discuss the status of various issues concerning the different cadres which were taken up by AIBSNLEA. Our success and failure are to be judged on proper prospective so that the unsettled issues could be planned for early settlement. AIBSNLEA is seriously concern for the settlement of the service matters of its members but also equally concern towards the Viability of BSNL. The interest of BSNL has been always given priority over all other issues. BSNL’s very existence as a strong Telecom service provider is one of the important issue which needs a through discussions. The performance of BSNL in all fronts will have to be analyzed properly. Its dwindling market share and continuous decline in Landline base is a matter of serious concern to all of us. We shall have to discuss and analyze that how the growth of BSNL comes to our expectation for which concrete proposals are be planned strategically to enable more and more confidence of the esteemed customers. Immediate measures are required for more revenue generation and its collection, reduction in OPEX, curtailment of unwanted expenditure has to be suggested. Strategies are to be finalized against the government move of 30% disinvestment of BSNL, VRS to one lack employees and unbundling of BSNLs last mile copper. The AIC can not keep its eyes close on these developments.

BSNL’s Management indifferent attitude towards the executives shall become a focused issue in the AIC. Its casual approach on HR issues is really a matter of serious concern. Infect the HR functions in BSNL is in mess and AIC should take a view on this. The BSNL executives are frustrated and demoralized because of in-apt handling of the carrier progression is the important issue to be discussed in the AIC e.g. non implementation of CPSU cadre hierarchy in terms of time bound non post based promotion up to JAG selection grade which was assured at the time of calling option for absorption, standard IDA pay scales E2 and E3 to JTO & SDE equivalent executives in BSNL. Non filling of vacant Group-'A' and Group-'B' grade posts etc. Similarly, the arbitrary deployment of ITS officers on deemed deputation in BSNL which is adversely affecting the viability of BSNL is also a matter of serious concern and needs through discussions and decisions.

The Policies that are being framed to weaken BSNL and to benefit Private Operators have to be resisted by all means. Thus, this AIC has got a special importance at this juncture. Let us, therefore, utilize this important occasion to meet together at Nashik and pledge to grow BSNL by protecting it from the vested interest who are working day and night to weaken this organization and to further strengthen AIBSNLEA. Let the 4th AIC at Nashik be a complete success.
AIBSNLEA WRITES

1. Regularization of all qualified officiating JTOs - Request for a speedy action-reg.

A kind reference is invited to our letters cited above on the matter of regularization of all qualified officiating JTOs, wherein we have requested to initiate process of regularization of all the remaining officiating JTOs in the wait list either by one-time personal up gradation or by creating required number of supernumerary posts to accommodate them immediately, as the company has got full powers for both.

We have also reminded that, any of the vested interest- groups should not be allowed to play behind the screens further to delay the process and damage the career prospects of about 2000 innocent qualified and hardworking officials. All the qualified TTAs now officiating as JTOs after completing the pre-requisite training, are at par, in all respects, with the 3500 similar candidates already got regularized as JTOs in the year 2007.

We have further pleaded that, the seniority issue should not be highlighted as a hindrance to settle the matter at this stage, since, such issues if any can be settled even later, after releasing the regularization order, as per the prevailing rules applicable for all.

On enquiry immediately after the closure of the contempt of court petition COCP No.1431 of 2008 by the Hon. High Court of Panjab & Haryana on 16th July 2013, we were informed that the process of regularization of all remaining officiating JTOs was already started and in progress. But now, a sufficiently long period of more than two months has elapsed after the clearance of the COCP by the court of law and still the case is resting only with the BSNL legal wing without gaining any momentum in the right direction.

Infact, there was no need of waiting for the conclusion of Contempt of Court case for settling the matter in a legally valid manner for which the BSNL management is fully empowered.

We have already analysed all the legal aspects in the matter of regularisation of officiating JTOs and conveyed our findings to the authorities concerned in time. Based on the discussions this Association had with the Management, pursuant to notice for organizational action dated 11-4-2013 (Refer-item No.3 of record of discussions No.BSNL/7-4/SR/2013 dated 2-5-2013), we obtained two legal opinions in this regard from two eminent lawyers and submitted to the authorities concerned vide our letter No. AIBSNLEA/CHQ/Dir (HR)/2013 Dated:31st May’2013. According to this, BSNL should not have waited for the conclusion of the COCP for solving the issue, because the regularization of officiating JTOs by upgrading substantive posts would not be in violation of the judgment passed by the High Court of Haryana in WPC 5608/2007, as diversion of DR quota is not involved in the process. A question of sub judice or an element of contempt barring this process did not exist then.

The filling up of 35% quota vacancies pursuant to the examination held on 2nd June 2013 in Haryana circle, is the only stipulation in the order on COCP. The petitioners of WPC 5608/2007and subsequent COCP, can not reopen the contempt case on any other ground. This is no way related to the regularization by one-time personal up-gradation or creation of supernumerary posts. Hence there is no justification for further delaying the regularization process. All the officiating JTOs have been functioning as JTOs for the past eight (8) years in various field units all over the country and they simply lost their five valuable years of regular service only because of the prolonged Contempt of Court proceedings of COCP No.1431which was filed in 2008 and closed in 2013, in which they were not parties at all.

We hereby place our earnest request to complete the regularization process forthwith by a one-time personal up-gradation or by creation of required number of supernumerary posts, without going for any other unwarranted time-consuming and cumbersome proceedings. A prompt and fastest resolution is expected from the authorities concerned, in the true interest of the company and its hard-working employees. We hope your good office will act effectively to curtail any further delay and release the favorable order immediately.

No.AIBSNLEA/CHQ/Dir(HR)/2013 Dated:09.10.2013
(Addresed to Shri A.N. Rai, Director (HR), BSNL Board, New Delhi-110001.)

We are happy to announce that AIBSNLEA is again bringing out “BSNL EXECUTIVE DIARY-2014” which shall contain updated information on service matters mostly concerning the BSNL employees and also important information on Telecom Engineering and Financial matters. The important features of the Diary which was brought out last year by the Association would find place in this diary. This Executive Diary with improved quality and features will have full page for each day. The diary will be ready for dispatch by First week of November-2012.
3. DoT Order issued on 78.2% IDA fixation from 1-1-2007 – implementation of the order for the retired persons retired before 09-06-2013-reg.

Ref: 1) Dot Memo No 61-01/2012-SU dated 10-6-2013 & 40/-13/2013-Pen(T) dt 28-06-2013 and BSNL reply vide 1-19/2012 – PAT (BSNL) dt 8-8-2013.

DOT vide its memo no. 61-01/2012-SU dated 10-06-2013, has allowed 78.2% IDA fixation from 01-01-2007. The date of effect of this order is 10-06-2013, but no arrears will be paid for such fixation. Which means that pay of the employees will be re-fixed considering 78.2% IDA merger from 1-1-2007 instead of 68.8% IDA merger as was done earlier but actual payment will be effective from 10-06-2013. Accordingly BSNL has revised the pay of all serving employees as on 10-06-2013 but taken no action for the pensioners retired after 1-1-2007.

Subsequently on 28.06.2013 DOT has asked BSNL some inputs on the method of fixation to serving employees and also action taken for the officials who retired between 1-1-2007 to 09-06-2013, how the order of 78.2% IDA merger is implemented for them. BSNL in its reply dated 08-08-2013 stated that “The referred orders have been implemented in reference of absorbed BSNL employees as on 10-06-2013 only. Since the orders are effective only from this date the issue of pay revision, notional or otherwise, of those employees who retired between 01-01-2007 and 09-06-2013 does not arise.”

Since then we are pursuing with DoT authority for issuance of proper orders for implementation of 78.2% IDA merger from 1-1-2007 for both pre 2007 and post 2007 pensioners. At one point of time they were telling that the matter is under consideration but on 19-08-2013, when we met the member (Services), he opined that as BSNL the employer of these pensioners have submitted that the “issue does not arise” hence DOT has no further obligation to implement the order of 78.2% IDA merger for pensioners. He also mentioned that DoT may consider the issue once a request from BSNL, the employer, is received.

Under these circumstances we also feel that the reply of BSNL dated 8-8-2013 should have been carefully drafted. Instead of the words “does not arise” some other sentences could have been there which would have indicated BSNL’s concern about the fact that as per the present order the pensioners are being denied of their right. Practically till date, no official communication expressing the concern about the deprivation of the pensioners, have been expressed by BSNL although the total no of pensioners who are being deprived is more than on lakh and BSNL is their employer.

Here we would like to mention that as per the agreement signed between BSNL and Joint forum of Unions and Associations, the pensioners are also supposed to get the benefit of 78.2% IDA merger from 1-1-2007. We would therefore, request you to kindly sider the issue and take up the matter officially with DoT so that:

- For pre 2007 retirees, the pension is suitably revised from 1-1-2007. Already their pension has been revised with 68.8% IDA merger formulae from 1-1-2007. Now only suitable modification in the DoT order dated 15-03-2011 has to be made changing the formulae from 68.8% to 78.2%.

- For post 2007 retirees, their pay may be revised from 1-1-2007 considering 78.2% IDA merger as was done for serving employees, which will consequently change their last pay drawn. Thereafter their pension and all pensionery benefits may be re-calculated on the revised last pay drawn and the differences be paid from their date of retirement.

4. Transfer of Civil wing executives from Kerala Zone to other zones- Request for retention of Shri N.Ajayakumar, Sub-divisional Engineer(C) BSNL Civil Sub - Division-V Trivandrum.

Ref: Trans-Pro/SDE©/DM (BM-I)/4/13 Dated 20.8.13
As per the above, Shri N.Ajayakumar Sub-divisional Engineer(C) BSNL Civil sub-division-V Trivandrum, has been transferred to NE-I Zone. He has been staying at Trivandrum, as his wife is employed in Government Secretariat Trivandrum, a service in Government which is non-transferable.

It has come to our notice that, one of the SDEs in Civil Wing Kerala who came back after availing deputation in state government, was posted to NE-I Zone as per the policy of the BSNL to post such officers in hard tenure stations after completion of deputation. Here it appears that, the particular officer posted in NE-I Zone after deputation, was exempted from tenure transfer and instead of it, Shri. N. Ajayakumar, SDE(Civil) was included in the list.

We would therefore, request to kindly review the matter and consider the representation dated 21-8-2013 submitted by our member favorably, in view of the grievances expressed as well as the quantum of external works now being handled by the Kerala Civil wing.

5. Review of result of JAO part-II internal competitive examination against 40% quota held in Rajastan Telecom Circle on 17th, 18th and 19th December-2012-reg.

There are many serious lapses in declared result of JAO part-II internal competitive examination against 40% quota held in Rajastan Telecom Circle on 17th, 18th and 19th December-2012. Injustice has been done and candidates were declared fail on the pretext of medium of the Exam. Some of the discrepancies are as under

1. Practical papers of JAO part-II is totally based on accountancy and mathematically based formulas i.e. Cash book, Contractor bills, Ledger, Sale bills, Telephone bills, CPWD Manual, CPWA Code etc. Hence option HINDI or ENGLISH does not matter for valuation of Answer sheets. It is clearly mentioned on papers & answers sheets that all answers should be answered in ENGLISH or in HINDI only.

2. In all previous departmental quota JAO exams (including 40% quota exam-2010) option HINDI or ENGLISH does not matter for valuation of Answer sheets and many candidates were declared passed who had opted option HINDI and took practical papers in ENGLISH.

3. This has made a huge financial loss to BSNL, while BSNL is fighting with a deep financial crisis. BSNL spent crores of rupees in conducting JAO exam part-I (Two times) and JAO exam part-II (Two times) but only three persons were declared passed due to this injustice, unjustified & blind decision.

This has resulted extreme demoralization to the candidates. All candidates were in queue and had been studying hard for passing final JAO exam since 2005, but this decision has broken their hopes. We would therefore request you to kindly intervene in the matter and direct Sr. GM (Rectt.) for make early review of result of JAO part-II internal competitive examination against 40% quota.

Please find enclosed herewith a representation of Shri H.L. Awasthi, DGM(F), Jaipur-TD regarding IDA Upgradation from E-5 to E-6, wherein the officer has mentioned that his case of IDA Upgradation from E-5 to E-6 grade has wrongly been processed at Circle level by misinterpretation of rules and requested to issue necessary guidelines in this regard. We would therefore request you to kindly issue necessary guidelines so that the case of above mentioned officer may be settled favourably at the earliest.

7. Order issued on 78.2 % IDA fixation from 1-1-2007 – implementation of the order for the retired persons retired before 09-06-2013-reg.

Ref: 1) DoT Memo No 61-01/2012-SU dated 10-06-2013 2) Minutes of the 22nd SCOVA meeting held on 19-02-2013 circulated vide F.No 42/1/2013- P & PW(G) dated 04/03/2013

We would like to draw your kind attention that DOT vide its memo no. 61-01/2012-SU dated 10-06-2013, has allowed 78.2% IDA fixation from 01-01-2007. The date of effect of this order is 10-06-2013, but no arrears will be paid for such fixation. Which means that pay of the employees will be re-fixed considering 78.2% IDA merger from 1-1-2007 instead of 68.8% IDA merger as was done earlier but actual payment will be effective from 10-06-2013.
In the said order there was no mention about the pensioners who retired before 1-1-2007 and also after 1-1-2007 to 09-06-2013. Accordingly BSNL has revised the pay of all serving employees as on 10-06-2013 and taken no action for the pensioners. Subsequently on 28.06.2013 DOT has asked BSNL some inputs on the method of fixation to serving employees and also action taken for the officials who retired between 1-1-2007 to 09-06-2013, how the order is implemented for them. BSNL in its reply dated 08-08-2013 stated that since the date of effect of the order is 10-06-2013, no action has been taken for the officials retired prior to that date.

Afterwards we met different officers of DOT and have understood that DOT is processing the case for extending the benefit of 78.2% IDA merger for pensioners also. (Both pre2007 and post 2007). The proposal is being prepared and will be sent to DOP&PW for consideration/clarification. It is also understood that the date of effect for the pension revision order will be 10-06-2013 for both the groups i.e. actual payment will be effective from 10-06-2013 only. The logic behind such decision is that since the order was made effective from 10-06-2013 for serving employees, the same principal will be applied for pensioners also. The effect of such decision of not paying the enhanced pension from date of retirement for post 2007 retirees and from 1-1-2007 for pre 2007 retirees will be as under:

1) For pre2007 retirees:- 68.8% IDA merger and necessary revision of pension has already been made effective vide DOT No 40-17/2008-Pen(T)-Vol III dated 15-03-2011 from 1-1-2007. The difference of pension amount due for this group of pensioners and family pensioners from 1-1-2007 due to 68.8% IDA merger have also been paid. Now if after implementation of 78.2% IDA merger from 1-1-2007, the difference of new revised pension amount due for this group of pensioners from 1-1-2007 to 09-06-2013 is withheld/not paid, it will be a gross injustice to the pensioners and family pensioners. Afterwards implementation of 78.2% IDA merger is a corrective action to correct the mistake caused by miscalculating the 50% IDA merger effectively as 68.8% instead of 78.2%.

2) For post 2007 retirees:- For extending the benefit to this group of retirees, their pay as on 1-1-2007 has to be revised merging 78.2% IDA and the last pay drawn on their retirement day has to be also revised accordingly for subsequent revision of their pension from the next month of their retirement. We understand that DOT is processing to get necessary relaxation of the clause ‘last pay drawn’ in consultation/approval of DoP&PW. But for them also actual benefit of revised pension will be extended from 10-06-2013. As a result these retirees shall be losing

• Pay arrears from 1-1-2007 to date of retirement
• Pension arrears from date of retirement to 9-06-2013
• Other retrial benefits like Increased Gratuity, Pension Commutation and Leave encashment as would have become due for increased amount of last pay drawn and revised increased pension.

As regards pay arrears it is understood that since BSNL is not paying to its regular employees due to financial constraints, the pensioners also have to accept the same fate. But why the revised pension, and other consequent retrial benefits from date of retirement and also revised pension from 1-1-2007 for pre 2007 retirees will not be paid until 09-06-2013 is not understood, when such amount is payable by DOT. Kindly note that ? It is a serious injustice to deprive the pensioners and family pensioners from their due pension and pensionery benefits from their date of retirement/1-1-2007, when their pension contribution have been duly paid on maximum of the pay scale.

? For implementation of 78.2% IDA merger from 1-1-2007, the pay scale of the officials will not change. Only their pay will be shifted to a higher stage in the same pay scale. As such there will not be any change in pension contribution which was already paid on maximum of the pay scale.

? DOT has already committed in 22nd SCOVa meeting for implementation of 78.2% IDA merger benefit for pensioners also.

? Various courts including apex court of India has already opined that pension is property right hence cannot be withheld or curtailed. There are many judgements but we are mentioning only two cases of the apex court of India for your kind perusal. 1) Case No 1389 of 2006. Judgement given on 12-05-2006 by Justice S.B.Sinha and Justice P.P.Naolekar. “Pension, as is well known, is not a bounty. It is treated to be a deferred salary. It is akin to right to property. It is cor-related and has a nexus with the salary payable to the employees as on the date of retirement.”

2) Case No 6770 of 2013. Judgement given on 14-08-2013 by Justice K.S.Radhakrishnan and Justice A.K.Sikri. “It is an accepted position that gratuity and pension are not... bounties. An employee earns these benefits by dint of his long, continuous, faithful and unblemished service,... “hard earned benefit” that accrues to an employee was in the nature of “property”,......”This right to property cannot be taken away without the due process of law as per the provisions of Article 300A of the Constitution of India,”.....

We would therefore request your kind personal attention into the matter. More than one lakh pensioner/family pensioner and their family members are involved. It will be great injustice to deprive these old helpless people by confiscating their increased pension until 9-6-2013.
They entirely depend on your kind and prudent decision. Kindly ensure that the benefit of 78.2% IDA merger is extended in reality from 1-1-2007 for pre 2007 retirees and from date of retirement with all retriial benefit to post 2007 retirees.

Enclosure : as above

8. Recovery of excess pay in respect of PAs/PSs as per clarification No.15-84/2010-Pers.II dated 13.10.2010
In Kerala Circle, implementation of 1st time bound upgradation under EPP in the cadre of PA/PS has been ordered vide CGMT Kerala Circle No. HR-II/50-20/2013/67 & 68 dated 06.04.2013 in respect of 94 PAs/PSs.

On implementation of the above orders, the pay scale of the officers who were drawing pay in higher scales were brought down to Rs.9850-250-14600 with effect from 01.01.2004, resulting reduction in total emoluments and large scale recovery. Out of these 94 officials, 14 have already been retired. An average amount of Rs. 2 lakhs is recoverable from each officer.

In the case of retired employees, full pension is yet to be fixed. Also leave encashment on retirement has not been released in full by SSAs, for adjusting the overpayment. This has resulted dererment of the already granted pay scale to a future date ranging from 15 months to 43 months with consequential loss in total emoluments, reduction in pay scales and postponement of next time bound upgradation to an equivalent period.

Kerala Circle, vide letter No. HR-II/29-15/2013/76 dated 03.07.2013 has sought clarifications from Corporate Office whether overpay resorted on account of revised upgradation of the PA/PS, including the retired officers, are to be recovered. Copy of the same is enclosed herewith (Annex.1), which is self explanatory and admitting that the grievances raised by this Association are true. However, even after a lapse of two months, clarification is yet to be issued from Corporate Office. Recoveries have already been started from the serving PAs/PSs and notices have been issued to retired officers to remit the alleged overpayment amounting to lakhs of rupees, for re-fixation of their pension benefits.

It may also be noted that Kerala Circle has sought for clarification regarding implementation of ACP & Time Bound Promotion in the cadre of PA/PS vide letter No. HR-II/50-20-2010-Pt.II/29 dated 08.03.2011. In this case also after a lapse of 30 months, no clarification was issued from Corporate Office. Both the above letters were addressed to Shri V.K. Sinha, AGM (Pers.II), Corporate Office. Copy of the same is also attached (Annex.2). It may not be out of place to mention here that had the required clarifications been given to Kerala Circle in time, no such grievance would have been faced by the PAs/PSs in the Circle. Undue and inordinate delay has been occurred in clarifying the queries requested from Kerala Circle.

In this regard, your kind attention is invited to the clarifications contained in the Corporate Office letter No.400-61/2004-Pers.I (Pt.I) dated 27th April 2011 followed with clarification dated 04th May 2011 by which it was directed to all Heads of Telecom Circles, etc. that “the recovery resorted on account of any excess payment made to any official, being, affected, during the past years be kept in abeyance till further orders”. Copy of the letter referred above is enclosed herewith (Annex.3 & 4). It may kindly be recalled that during the personal hearing held on 15.05.2012 & 11.10.2012, Sr. G.M. (Pers) were kind enough to assure us that there will not be any recovery from the aggrieved personnel, in any case.

It may also be noted that in a similar situation with regard to recovery of excess pay in respect of AAOs/JTO (LA) and Sr AO/Sr SDE, the Competent Authority, vide Order No. 400-11/2011-Pers.I (Pt) dated 23rd April 2012 (Annex.5), has decided that excess pay drawn by them, if any, need not be recovered by the Circles. Copy is enclosed herewith for ready reference. However, there is no such instruction from the Competent Authority to Kerala Circle in respect of PAs/PSs.

Hence it is kindly requested that necessary instructions may please be issued to the effect that excess pay drawn by PAs/PSs need not be recovered by Circle on implementation of the 1st Time Bound Upgradation under EPP.

4. Applicability of foot note-1 below Schedule IA, IB', IC & ID of BSNL MS RR-2009 - clarification on implementation thereof.

The provisions of time bound upgradation and post based promotions under the EPP and the BSNL MSRR-2009 have become ingrained through practice over a period of time and need no reiteration to that extent. However, it has been noticed that, at times, executives tend to seek unfair advantage by artificially delaying their post based promotion (by not accepting it) beyond a scheduled time-bound pay upgradation in a given scale to get the benefit of one increment under para II (v) of EPP or para 13 of BSNL MSRR. This gives against the spirit and provision of the promotion policies where the time bound scale upgradation has been allowed only when post based promotion (based on vacancy) is not available.

Accordingly, it is clarified that once the post based promotion order is issued the date of order is relevant prior to the schedule of time bound pay upgradation in the same scale, the said time bound upgradation becomes inadmissible. Any effort on the part of the executive to delay
his joining with an aim to first earn time bound promotion becomes contrary to the promotion policy. Time bound pay upgradation to any scale as per defined schedule is admissible only if posts based promotion to that scale has not been ordered before its occurrence. Any extension of time given to any executive for joining a promoted post will not alter the above position. This clarification is applicable to all grades of executives covered by both EPP and BSNL MSRR-2009. (any transgression of this position in the past may also be reviewed accordingly)

The open session ended with national anthem at 3pm and then the launch. The afternoon session started with passing of reports of CS and FS. It got passed with all the clarifications raised by members.

Election for new body started at 7pm. The new body was formed unanimously. Com. Kasinath Sahoo Sr. AO in the IOBAS unit of circle, Com. R. K. Panda, AGM, CMTS and Com. N. P. Das, AO were elected to the post of Circle President, Circle Secretary and Financial Secretary respectively.

In the delegate session Com. GS explained in detail the efforts of AIBSNLEA in getting resolved the important HR issues after the formation of BSNL and in DoT setup i.e.

1. The revision of Pay Scale of JE Telecom struggle took place in 1986 successfully under the leadership of Com. M.K. Bagchi, the then General Secretary, JETA(I) and the pay scale was revised from (425-15-500-EB-15-560-20-700-EB-25-800 to 550-25-750-EB-30-900) 1400-40-1600 to 1640-60-2600-75-EB-2900 scale in 1986 with change of designation as Junior Telecom Officer(JTO). In the 5th CPC the JTO and SDE pay scales were revised to 6500-200-10500 and 7500-250-12500 respectively and after the formation of BSNL E1A IDA pay scales were achieved with the efforts of the same executives who were JTOs in 1986 struggle and due to cadre Association after their promotion as SDE they joined TESA(I) and finally merged with AIBSNLEA and even today continuing struggle to achieve E-2 and E-3 standard IDA pay scale for JTO/SDE equivalent executives. Hence, most of the executives who struggled and struggling today belongs to AIBSNLEA.

2. After the 5th CPC recommendations JTO pay scale was Rs. 6500-200-10500 and highest of the basic pay i.e. Rs. 10500 were treated for Gazette cadres accordingly JTO(T) was also declared Gazette Group-‘B’ and got absorbed in BSNL as an executive.

3. AIBSNLEA struggled to provide parity to all executive cadres with JTO(T). Accordingly a Committee headed by Dr. Vinay Sahi, Jt. DDG(EF) BSNL C.O. was constituted to restructured the cadres i.e. JE/ AE(C/E/Arch), JAO, PAS/ PSs, CSs/CSSs staff etc. Finally these cadres were restructured by changing their designation, pay scales and qualification at par JTO(T) w.e.f. 01.10.2000.

4. The Central coordination Committee of DoT Officers Associations comprising TESA (I), AFSOA, AJTOA, AIPTEC(Group-‘B’), AIPTEC(Group-‘B’), AUJEIA, AIPPTAA, ABDRA, AITSA and BSNLEA finally merged with AIBSNLEA, which struggled and achieved settlement of the terms and conditions of absorption in BSNL and IDA pay scales E1A, E2A, E-3, E-4, E-5 and E-6 scales for the executives and point to point pay fixation in the revised IDA pay scales.

5. With the consistent efforts of AIBSNLEA with the then Secretary(T) Dr. J.S. Sarma and finally with Sh. D.S. Mathur, Ex-Secy(T) in the formal meeting on 10.01.2007 the EPP was discussed and finally was notified on 18.01.2007 wherein BSNL executives achieved 5 time bound promotion between 4 to 6 years of service.

6. AIBSNLEA efforts brought the kind intervention of Ex-Secy(T) Dr. J.S. Sarma in 2006 for grant of perks to BSNL executives at par with non-executives w.e.f. 01.01.2005 and finally achieved it.

7. The transparent transfer policy for BSNL Executives came into existence due to the continuous efforts of AIBSNLEA in the year 2009.

8. The BSNL MSRRs-2009 were notified in June-2009 with the consistent efforts of AIBSNLEA through Ex-Secy(T) Sh. D.S. Mathur’s intervention. AIBSNLEA provided sufficient and meaningful feedback in the Joint Committee of BSNL Officers and the representatives of Executives’ Associations in the several marathon meetings and on the basis of Joint Committee report the BSNL MSRRs-2009 came into existence. It paved the way for regularization of Adhoc STS level executives who immediately got promotion in JAG grades on functional basis. Through these RRs our young JTOs/JAOs may expect their promotions upto SAG level.

9. AIBSNLEA consistent efforts yielded result in getting implemented 2nd PRC recommendations (notified in Nov-2008) in BSNL on 27th Feb,2009 after the Presidential Directives was issued by DoT to provide 30% fitment benefit. BSNL was first PSU where the 2nd PRC was implemented with 30% fitment benefit.

10. AIBSNLEA also provided feedback/presentation to the Chairman and the Members of 2nd PRC for better IDA pay scales in BSNL as schedule ‘A’ company.

11. With the untiring efforts of AIBSNLEA, DPCs could be initiated to fill up all vacant STS grade posts in all the disciplines and more than 6000 SDE to DE promotion, 4000 JTO(T) to SDE(T), 500 DGM(Engg.), 17 SE(Electricals), 600 DGM(F), 1000 CAO, 1050 JAO to AO, 200 SDE(E/C) to EE(C/E), 300 JTO(C/E) to SDE(C/E), 10 SDE(TF) to AGM(TF) and 18 AGM(TF) to DGM(TF) etc have been issued.

12. 5 advance increment benefits were granted to DR JTOs and departmental JTOs/JAOs after 2nd PRC implementation to compensate their deficits.

13. AAOS IDA pay scale of Rs. 11,875/- got achieved.

14. Pay anomaly of JTO-2005 batch got rectified by allowing notional pay fixation to JTOs 2005 batch, who joined after 01.01.2007 with their batch mates joined in Aug-2006 in the pre-revised pay scales.

15. Got streamlined the EPF statement in PF department at Regional level and will shortly be streamlined on All India basis.
16. Achieved Child Care leave implementation for lady employees in BSNL under the banner of Forum of BSNL Unions/Associations.

17. Achieved 78.2% IDA pay fixation implementation for BSNL employees and now fighting to achieve for BSNL Pensioners who retired after 01.01.2007 to 10.06.2013 and prior to 01.01.2007. It was a great achievement of Forum of BSNL Unions and Associations wherein AIBSNLEA was always at forefront during struggle.

18. AIBSNLEA consistent efforts yielded result in getting approved the proposal of fixing 1325 DEs posts for MT quota instead of 2650 DEs of MT quota posts reserved. Now 3975 DEs posts will be filled up on regular basis hence, adhoc promotions in DE grade will end. Similar efforts are being made to fix 25% CAOs/EEs (C/E) posts instead of 50% CAO/EEs(C/E) posts.

Still some cases need immediate settlement as under:-

a) Implementation of CPSU Cadre hierarchy in terms of non post based promotions upto the level of SG JAG grade and post based promotion after SAG grades as assured at the time of absorption in BSNL.

b) Implementation of standard IDA pay scales of E-2 and E-3 for JTO/SDE equivalent cadres in BSNL.

c) Filling up of all the vacant Group-‘B’, STS, JAG, SAG and HAG level posts by BSNL absorbed executives.

d) Holding of LDCE from JTO(T) to SDE(T), JTO(TF) to SDE(TF) etc.

e) Creation of PPS posts in BSNL’s field units

f) Restructuring of AD(O/L) cadre.

g) Allowing option to exercise to departmental JAOs recruited in the year 2010 and joined after 07.05.2010.

h) Fixation of pay on promotion for Executive employees with 3% in the previous pay and then 3% on promotion

i) Modification in BSNL MSRRs allowing promotion to diploma holders SDEs to the post of EEs.

j) Antedating of pay anomaly due to accrual of increment of junior earlier than the senior after fixation of pay in revised pay scale implementation of 2nd PRC.

k) Regularization of Offg. JTOs as one time measure.

l) Implementation of FR-22(1)(a)(i) to Offg. JTOs as per Hon’ble Supreme Court of India judgment.

m) Superannuation benefits to BSNL recruited employees by depositing 12% contribution by BSNL.

n) Removal of pay anomaly wherein senior are drawing less salary than their junior executives- AIBSNLEA has impeached in the Hon’ble Supreme Court.

In addition to the settlement of HR issues AIBSNLEA is equally concerned towards the Viability of BSNL viz procurement of equipment / material. Always remain at forefront during the joint struggle of BSNL Unions/Associating launched against the wrong policies of the Govt. or BSNL Management, with the result BSNL could not be disinvested, BSNL’s last mile copper is not unbundled. BSNL also got 1500 crores against Rural subsidiary for the year 2011-12 and demanding Rs. 1500 ADC payment for the year 2012-13. Also demanding immediate refund of BWA Spectrum allocation fee of Rs. 8313 crores to BSNL and reimbursement of license fee & USO charges Rs. 3000 Crores per annum to BSNL. Payment of pension contribution on actual basic pay instead of highest of the pay scale, refund of notional loan of Rs. 7500 Crores along with interest @14.5% paid to DoT etc.

In this manner, AIBSNLEA is committed to safeguard the interest of BSNL executives and BSNL as a whole in true sense.

Publishing / Propagating distorted, one sided history of T U movements in past decades for decades for upliftment of executive cadre: Ever since BSNL has planned for verification of majority association in executive cadre, we have noted with great concern that one association in different meetings have started propagating distorted half truths in the name of describing the history of struggle for uplifting JTO and other engineering cadres. They even commented other associations as “bonded labours” and projected their association as the only savours of executives. Thus they are fulfilling the hidden strategy of BSNL management to break the unity of executives in disguise of referendum of executive association.

We are not against describing the history of past movements but that should be told with full honesty. The transformation of various associations into new associations, the division of various engineering cadres into different associations with the backgrounds of formation TESA -> JETA -> JTOA -> TEOA -> BSNLEA -> SNEA and also TESA+AIFSOA with 8 other associations -> AIBSNLEA has to described properly. The leaders of earlier years their contributions, their struggles are also to be remembered with full honour and dignity while remembering past victories. At the same time AIBSNLEA brought together all executives Associations under single umbrella but One executive Association kept away and continued functioning independently, which ultimately destroyed the possible unification of all executive cadres cannot be forgotten. Had that not taken place, today all executives of BSNL would have been under one umbrella. One has to think when all ten associations joined their hand what was the ‘interest’ behind the eleventh association to stay away. Depicting certain persons/organisation as the only savours of the executives for decades and branding all other as ‘bonded labour’ is all right for election propaganda but certainly not the narration of the true history.

SAVE BSNL CONVENTION AT KOLKATA- A REPORT: SAVE BSNL- Convention held successfully at Mahajati Sadan on 12.09.2013 at 4 PM in the call of FORUM, WB & CTD jointly, this was as per decision of National Convention held at New Delhi on August 2013. Members and leaders
of SNEA(I)/WB, AIBSNLEA/CTD & WB, BSNLEU/CTD & WB, NFTE/BSNL, NUBSNLU(FNTO) were present & the hall was totally packed up. Our Circle President was present in the presidium. OS(E) was also present in the dais. Com Tapas Bhattacharya from AITUC, Com Ramen Pandey from INTUC & Com Shyamal Chakraborty from CITU greeted the members & Forum for this effort in their deliberations. In his deliberation our CS greeted Forum for its role in organising executives & non-executives in one platform to fight for development of BSNL. He emphasized that at this juncture discipline is to be imposed at every level. It should be our first & foremost duty. He also suggested that in CTD & WB any type of agitation programme involving cessation of work may be avoided for the time being. We may organize our programme after the office hours, we should also make good the time lost for agitation, if any, by working extra hours in order to restore faith of our customers on us. This will build our good image and depict our responsibility towards BSNL. On the other hand he also pointed out the inactiveness of our top management in solving problems regarding development related matter. We pointed out in different forum about these. He concluded that efforts by the employees and officer cannot save BSNL single handedly, the eagerness & promptness of top management is also necessary, which is absent in CTD & BSNL. We must work together in the leadership of Forum towards our goal. The work-paper placed there passed unanimously, it was also decided to hold similar convention in district level.

• Status of ITS court case in Hon'ble Pr. CAT, New Delhi: The captioned matter was listed for hearing on 30.9.13 as Item No. 63 under the ready for hearing matters in Court No. 2 before the bench comprising of Hon'ble Mr. George Paracken and Hon'ble Mr. Sudhir Kumar at the Central Administrative Tribunal, Principal Bench at New Delhi. Mr. Rajshekhar Rao appeared on behalf of the Applicants. Counsels for the Respondents were also present. Mr. Rao made brief submissions as regards the disregard of the Hon'ble High Court’s Orders in W.P. 22515/2005 by the Respondents and the issuance of the Impugned Orders dated 11.03.2013. The Respondents objected to the maintainability of the OA in as much as a Contempt Petition has already been filed and is pending before the Hon’ble High Court of Delhi. On this, Mr. Rao submitted that it is settled position of law that the relief sought in a contempt petition is only limited to punishment in so far as the violation of the Judgment is concerned and the relief sought herein for quashing of the Orders can only be sought from the appropriate forum i.e. the Central Administrative Tribunal. In fact, even the Hon’ble High Court while disposing of the Writ Petition had granted liberty to the Applicants to seek remedy before the appropriate forum.

However, the Ld. Bench was of the view that the Applicants will have to amend the prayer clause and has directed the Applicants to amend the Application accordingly. Furthermore, Hon’ble Mr. George Paracken was of the view that there are similar orders already passed on this issue pertaining to BSNL and has directed the Counsel for BSNL to file a list of all such similar pending cases in Court. In view of the same, the matter has now been adjourned sine die. In the interregnum, we will be taking steps to move an appropriate application for amending the Prayer.

• Status of 270 SDEs(LDCE Quota) Seniority Court Case: In the above noted contempt petition, contemnors CMD BSNL, Sh. A.K. Garg, Director(HR), BSNL and AGM(Pers.), BSNL C.O. were directed to appear before the Hon'ble Court at the time of issue of show cause notice on 26.07.2013. The Hon’ble Court granted time to file rejoinder affidavit and dispense with the appearance of contemnors during the hearing of contempt petition. Now the matter shall be listed for hearing in Nov.2013.

20.09.2013: MOS Sh V. Narayanasamy took the chair at 4.00 PM. Joint Secy. DOP &PW Welcomed the Minister, officers from different Departments / Ministries & the SCOVA members. After JS welcome address introduction of members & officers started. Shri S.C. Maheshwari Genl. Secy. BPS while introducing himself pointed out to the Minister that while BPS was thankful to the minister for increasing frequency of SCOVA meetings, organization will be grateful if instead of few hours at least one full day is earmarked for these meetings and that a system need to be put in place to lay down as to what type & numbers of items will be accepted for inclusion in SCOVA Agenda. After introduction the MOS addressed meeting highlighting the work of the DOPPW & the important circulars issued in the recent past. He assured that pensioners’ issues will be dealt on priority by his Ministry. Final ATR on 22nd SCOVA meeting was then taken up for review. Lively discussion followed each item members expressed their concern over the delay in issuing revised PPOs to all pensioners within the target dates. Commenting on item No2 of ATR i.e. revision of exgratia to CPF/SRPF retirees, Secy. Genl. BPS pointed out that the amount of ex-gratia of Rs 645/- per month was too little for the survival of a person. The Secretary DOPPW retorted that these retirees were not pensioners. Secretary General BPS pointed out that these retirees too have a right to survive but no positive reaction could be evoked from official side or the honorable Minister. Position of items 3to 9 remained the same as given in the ATR. However, while discussing item 9 of ATR it was pointed out that the M/O Railways was still not uploading on their website all the orders & circulars issued by Railway Board. Regarding item 10 & 11 of the ATR regarding anomaly in fixation of pension to DOT employees & merger of 78% IDA with basic pension benefit to the absorbed BSNL Pensioners, after discussion it was decided that the department of Telecommunication will put up positive proposals by 30.09.2013.
