Sub: Request for relaxation of marks for qualifying in LDCE Examination-Reg.

Respected Sir,

With reference to above subject matter, some of our executives appeared for the LDCE Examination in July 2007 held for promotion to the grade of SDE (T) under the competitive quota.

Some of them secured above 50 marks in Paper-I and 47 to 49 marks in Paper-II. They are declared as failed candidates because of 1 or 2 marks to 50.

That many 2300 posts from competitive quota are still lying vacant as they could not be filled up because the candidates could not clear the examinations. We request you're good self to kindly to grant relaxation of three marks so as to enable some executives to succeed in qualifying for promotion to the grade of SDE (T). They have faced a lot of hardships and struggle at this age while preparing for the examination and to miss the bus just by one or two marks is really hurt them.

We, therefore request your good self to kindly consider with utmost sympathy and grant the relaxation of marks as given to direct recruitment of TTAs. This will go a long way in many fold development of their career in BSNL and will always be tool for motivation for perform more and more with an improved efficiency.

With kind regards,

Yours faithfully
