**Subject: Shut down of the OCB TAX (Signalling Point Code - 8124) at Telephone Bhawan, ETR Kolkata-Reg.**

**Respected Sir,**

On the subject cited above, it is submitted that –

- One OCB (TDM) TAX (Signaling Point Code – 8124) was commissioned at Kolkata on dated 27.03.1997. Further, an expansion of 7K lines of this TAX was done in July 2006.
- Later on BSNL Corporate Office issued guidelines to close down all TDM TAXs by shifting all the circuits to IP-TAX.
- Accordingly, shifting work completed in the month of April 2013 and now the traffic from this TAX is ZERO Erlang.
- But unfortunately, the power shut down of the above TAX is not done till date due to some administrative reasons of vigilance angle.
- Continuance of power to above TAX is causing a huge wasteful expenditure on Electricity Bill, Man Power, Space etc.

In this regard, it is requested that all the data / records required by Vigilance may be seized and the above TAX may be shut down immediately for avoiding the wasteful expenditure on Electricity Bill, Man Power, space etc in future.

With kind regards,

Yours Sincerely  
-sd-
