Sub: - Regularization of Officiating Jr. Accounts Officers - Reg.

Sir,

We would like to draw your kind attention that presently 110 candidates who are officiating as JAOs for the last 9 to 17 years and also having working experience in this cadre. They are discharging their duties to the best satisfaction of their Superiors. They have passed JAO Part-I examination of descriptive nature long back and could not succeed in Part II examination for various reasons. Now they have already crossed minimum scale of JAO in the substantive cadres, hence there will not be any financial burden on BSNL even on regularization of these JAOs.

Also it is to be informed that there will not be any seniority issue problem, as they will become regular JAO's only after completion of JAO training as per departmental rules and will become junior to all JAOs who are already working in the cadre.

It is understood that all the circles have declared JAO Part II Results for which the examination was conducted during December, 2012 and it is the appropriate time to regularize the left over JAOs service and to fill up the vacancies in the respective circles. These JAOs have given their willingness to work in the circles where the vacancies are available on the pretext of regularization.

In view of above, we would therefore request you to kindly consider regularization of the JAOs service as a one-time measure at the earliest.

Thanking you,

Yours Sincerely
