Respected Sir,

On the subject and reference cited above, it is intimated that National Institute of Fashion Technology (NIFT) under the Ministry of Textiles, Govt. of India runs various Bachelor & Master Degree programs in Design, Management and Technology. The admission to these courses is done on the basis of an all India level written entrance examination. A copy of the news paper cutting of the exam notification is enclosed herewith for ready reference.

But, these Bachelor and Master Degree programs are not considered as a valid qualification for granting Technical/Academic Scholarships/Book awards etc under various welfare activities of BSNL.

A good number of students belonging to BSNL employees are getting education from these institutes. Therefore, in a larger interest of the BSNL employees, it is requested to kindly issue necessary instructions to include Bachelor & Master Degree programs in Design, Management and Technology of National Institute of Fashion Technology (NIFT) as a valid qualification for granting Technical/Academic Scholarships/Book awards etc under various welfare activities of BSNL.

With kind regards,
