Sub: Delay in issuance of promotion order from SDE (Telecom) to DEs on Adhoc basis-reg.

Sir,

We regret to inform you that the promotion order from SDE (Telecom) to DE on adhoc basis has not been issued for last one and half year. About 3600 DEs posts are lying vacant since long. Non issuance of promotion order is adversely affecting the maintenance, operation and developmental works in field units of BSNL and has caused stagnation to TES Group 'B' officers. During this period of one and half year more than 800 TES Group 'B' officers have retired even without getting the DE adhoc promotion. It has caused serious frustration amongst the members of this association.

In this connection, please recall our discussions recently we had with you and it was informed that the DPC work to fill-up vacant DEs posts is completed but issuance of promotion order is delayed due to non-availability of vigilance clearance in respect of some SDEs. After your kind intervention, the lists of missing ACRs & VCs etc. were provided to this Association on 30.11.07and we immediately acted upon. Now most of the VCs and missing ACRs have been received in BSNL C.O. During the discussions, it was also requested that DEs on promotion should be posted in the same circles so that the targetted work do not suffer. It was also agreed that hard tenure circle vacant posts will be field-up in due course of time as per circle tenure transfer policy and thereafter we were assured for an early issuance of promotion order and posting in the same circles.

We would, therefore, request you to kindly intervene in the matter so that the promotion order from SDE (Telecom) to DE adhoc is issued with posting on promotion in the same circles.

With kind regards,

**Yours Sincerely** 

Lead

(Prahlad Rai) General Secretary
