Dr. 21.07.2026
Bhavnagar.

Sub: Memorandum, All India BSNL
Executives' Association.

Respected Jyotiraditya
Scindia ji,
Namaste.

① Recently, I had been invited
at Gujarat Circle Conference
of AIRSNLEA at Bhavnagar, Guj.
As a MP Lok Sabha, I am
and was closely connected with
BSNL friends!

② During my stay at the confe-
rence, I was briefly given
the information about the present
status of BSNL.

③ In a very ² short span of time initially BSNL has proved itself facing all the challenges of the time. In the field of telecommunication BSNL has set an example. Within no time several areas of our country got connectivity with the help of BSNL. At that time and now also, it is not less than a miracle.

④ The same excellent BSNL is at present facing the crisis of EXISTANCE. It is indeed a sad part of the story / journey.

⑤ Herewith, I am enclosing the memorandum given to me by AIBSNLEA. As I came to know that you are very much concerned for this matter, a ray of hope is shining in the

eyes of the employees of BSNC.
They strongly believe that
your able leadership can find
out the amicable solutions
of their genuine problems.

I am also confident about
your concern and leadership.
⑥ Hence, the employees of
BSNC are looking forward
to you, for the solution of
their basic issues.

I would like to request you
on behalf of AIBSNLEA to find
the way out for them.

Thanking you.
With regards,

Truly yours,
Apri
